# Bus Schedule 2012-2013

For updated schedules, check out BusStop on the PSD web site: www.psdschools.org

The PSD Bus Schedule is provided to help make the start of school go as smoothly as possible for children and parents. **Students will determine their morning and afternoon bus based on the route number. It is likely that the route number for your child's morning bus will be different than the route number for your child's afternoon bus. The route number will be posted in the window closest to the entrance door of each bus.**

Although bus stops and times are subject to change, PSD will adhere to the listed times as closely as possible. Due to variable traffic and road conditions *we ask that children be at their bus stop five minutes before the scheduled arrival time.* Drivers will notify families of any needed changes to pick-up or drop-off locations and times. For updated route information during the school year, **check out *BusStop* on the PSD website at** www.psdschools.org

**To help elementary students learn their route numbers, they will be given a card when they get off of their morning bus the first few days of school. This card will have their morning route number and their afternoon route number to assist students in finding their correct afternoon bus.** We encourage parents to allow their eligible students to ride the first morning so that they can be directed as to which bus they will return home on.

It is important for your student's safety that their pick-up location remains the same each morning, and that their drop-off location remains the same each afternoon. If you need to change your student's pick-up or drop-off location, please call 490-3232.

Students who do not utilize transportation for ten consecutive school days, without notifying transportation, may have their bussing cancelled in order to make room for students who are requesting transportation. If your child is eligible for transportation but they will not be riding the bus, please contact Transportation Services at transportation@psdschools.org.
