$50.00*

For your records:

We paid with check number ________

The summer advanced band and orchestra program is designed for students who will be in high school during the upcoming fall, or for students who have just graduated. A band and an orchestra will be held at Lesher Middle School. We hope that students who will be playing in band and orchestra in the fall will be able to participate in order to continue to grow during the summer months. If you have any questions regarding equipment needed for the summer classes, please contact the director at the school you will attend in the fall.

*A limited number of scholarships are available for students with financial considerations.
Contact Scott Schlup (488-7204) for more information.

Lesher Middle School

Advanced Band - 9:00am to 10:20am
Advanced Orchestra - 9:00am to 10:20am

For the summer of 2012, due to construction at the majority of PSD secondary schools, we will only be offering advanced classes at Lesher Middle School. Students from the entire school district (regardless of school in the fall) are encouraged to participate.

A word about registration: We encourage all students interested to register before May 18, 2012. The summer teachers will determine literature and difficulty of the music for the summer based on who has pre-registered. They will also have music and other class materials ready for those students that pre-register. If you do not submit your registration and payment by the May 18 date, you are welcome to participate. Please bring your registration materials with you to the first class and give them to the summer teacher (do not send registrations late).
