The summer intermediate band and orchestra program is designed for students who will be in seventh or eighth grade during the upcoming fall. A band and an orchestra will be held at three of our summer sites. We hope that students who will be playing in band and orchestra in the fall will be able to participate in order to continue to grow during the summer months. If you have any questions regarding equipment needed for the summer classes, please contact the director at the school you will attend in the fall.

*A limited number of scholarships are available for students with financial considerations. Contact the director at your middle school for more information.
