

Poudre School District

HUMAN RESOURCES DEPARTMENT

JOB DESCRIPTION

Job Title: **Employee Assistance Services (EAS) Counselor/Consultant** FLSA Status: **Exempt**
 Job Family: **Professional** Pay Range: **A/P-Grade Q**
 Prepared/Revised Date: **April 20, 2022** Job Code: **33540**

SUMMARY: Responsible for providing entirety of full-service EAP roles, including counseling and crisis services for district employees and their family members. Facilitates referral authorizations and care coordination to community mental health providers and facilities. Provides site-based support services, including workshops on mental health topics, team building, and conflict resolution. Consults with supervisors and Human Resources to assist with troubled employees and struggling worksites. Provides mental health disability management services, including coordination of short-term medical leave, case management and return to work planning. Partners with the district’s Employee Health and Wellness program, providing integrative health services in consultation with PSD’s Lifestyle Health, Employee Health Clinic, Employee Wellness and UCHPA.

ESSENTIAL DUTIES AND RESPONSIBILITIES: *To perform this job successfully, an individual must be able to perform each essential duty satisfactorily. The requirements listed below are representative of the knowledge, skill and/or ability required. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.*

Description of Job Tasks
1. Provide mental health/substance use intake and assessment, short-term therapeutic intervention, treatment planning, care coordination, and case management for a broad range of personal and work-related concerns to PSD employees and family members. <u>Create and maintain confidential electronic medical records and use telehealth platform when necessary.</u>
2. As member of the District Crisis Team, provide on-site assessment of needs, coordinate with Student Mental Health Team and administration to ensure coverage of employees and students, provide follow-up services to ensure a return to normal functioning.
3. Provide 24/7 on-call services, on rotation with EAS clinical staff; facilitate crisis stabilization, hospitalization, and coordinate care with community resources. Provide same-day crisis intervention in response to the emergency needs of employees and/or their family members.
4. Promote integration functions of Employee Health and Wellness through coordination of care, consultation with Lifestyle Health and the Employee Health Clinic; develop strategies based on data to improve overall health of employees; coordinate with primary care physicians, and hospitals regarding integrated care.
5. Research and implement evidence-based mental health treatment protocols to provide a wide scope of therapeutic interventions; participate in ongoing clinical skill enhancement.
6. Attend work and arrive in a timely manner.
7. Coordinate disability management; facilitate short-term disability application with medical team, treatment planning, site-services, and coordination with HR/Benefits/supervisors; facilitate accommodation plan, return to work planning.
8. Consult with HR and supervisors regarding troubled employees; provide services on behalf of supporting performance improvement.
9. Provide organizational development services including workplace conflict, team building, resilience training, stress management and staff development workshops.
10. Work with EAS Manager to establish and maintain the EAS Preferred Provider Network, building relationships and ensuring the network is diverse and comprehensive enough to service immediate needs of clients.
11. Work with EAS Manager to identify workplace trends, to formulate and carry out remedies in coordination with the Executive Director of Human Resources.
12. Coordinate fitness for duty evaluations in situations of policy violations (e.g., substance in the workplace); organize relevant medical records, exit and re-entry in coordination with HR.
13. Perform other duties as assigned.

EDUCATION AND RELATED WORK EXPERIENCE:

- Master’s or PhD Degree in counseling or related fields with a minimum of 3-5 years post license clinical experience preferred
- Experience in the EAP field of organizational mental health highly desired
- Experience and interest in serving under-represented communities strongly preferred

LICENSES, REGISTRATIONS or CERTIFICATIONS:

- Colorado State Licensure in mental health field
- Criminal background check required for hire
- Valid Colorado driver’s license

TECHNICAL SKILLS, KNOWLEDGE & ABILITIES:
