# Transition Services

Students in the Cooper Home Pathway transition into their next phase of life by gradually increasing responsibility in order to gain independence.

Services students receive include:

- Job Coaching
- Training in work-related skills
- Planning menus, grocery shopping, and cooking
- Riding public transportation
- Developing organizational skills, including keeping a weekly schedule

Cooper Home students...

- Are eligible for transportation to and from Cooper Home through PSD Transportation Services
- Attend the program 2-3 days per week
- Purchase a bus pass. In addition, incidental money is needed for recreation and leisure activities.
- Upon completion of the program, receive a Certificate of Completion or a PSD Diploma if graduation requirements have been met.
