

Gifted and Talented

POUDRE SCHOOL DISTRICT

Mountain Schools (Stove Prairie, Red Feather, Livermore)

The GT program at the Mountain Schools focuses on differentiated learning within the classroom. GT students create goals along with parents and teachers, based on areas of identification, passions and interests.

Within the small, multi-grade classrooms students receive not only grouping based on abilities, but also individual attention with their teacher.

Overview of the GT program at this school

Mountain Schools' GT Program:

- Provides advanced learning experiences with appropriately higher learning standards.
- Provides social and emotional guidance.
- Acknowledges strengths and interests and helps the student build on them to branch out in an interdisciplinary approach.
- Guides the student in selecting enrichment, elective, and extra-curricular opportunities.
- Mountain Schools Gifted and Talented program believes in the importance of building the academic and social/emotional needs of all students through a variety of enrichment experiences in and out of the classroom.

Advanced Learning Plan process at this school

GT Site Coordinator works in partnership with classroom teacher, parents and the student to determine achievement and affective goals..

Programming opportunities for GT students

- Classroom teacher will differentiate for all students.
- Students will have the opportunity to accelerate to the next grade level.

Enrichment opportunities for GT students during school

We have multi-grade classrooms which allows the flexibility to provide enrichment opportunities in the classroom.

Enrichment opportunities for GT students before or after school

At this time we do not have any before and after school enrichment.

Affective programming for GT students

The Gifted and Talented Program at the Mountain Schools recognizes the GT student's affective characteristics and provides individual support through the Counselor, the GT Program, and through grade level teachers. The GT Program provides opportunities for students to discuss struggles and achievements in a safe environment with a trusted adult and/or other GT students with similar needs.
