

## **LB - RELATIONS WITH OTHER SCHOOLS AND SCHOOL SYSTEMS**

Poudre School District shall cooperate whenever possible with other school districts, with institutions of higher education, with boards of cooperative services, and with other local, state, and regional agencies and organizations in matters of common concern.

This cooperation may extend to such areas as joint educational services, service provider for other districts, research, exchange of data and information, coordination of curriculum, coordination of school activities and calendars, and cooperative use of school facilities.

In all instances, the interests of the district's students must be the priority.
