### POSITIVE BEHAVIOR SUPPORT (PBS)

Included with this newsletter is a copy of our BEHAVIORAL EXPECTATIONS matrix and the revised REFERRAL FORMS. Thanks for becoming familiar with both of these.

From Mr. Rumbold, PE:

Welcome back students and parents of the Beattie community. I hope you are excited to start the new school year! A couple reminders are in order for important events. First, next Monday (August 25) will be the first *Get up and Go Club*, meeting on the east playground from 3:10-4:00. Bring a water bottle, a hat, and of course, good running shoes in which to walk, skip, hop, bounce, jog or sprint. We will meet on Mondays and Thursdays.

Second, Thursday September 4, 6:30-8:30 is our first Beattie Skate Party at Rollerland!

The cost is **\$5.00** and a percentage of the proceeds *come back to Beattie!* What a deal- fun skating with friends and parents, and we get money back!

**GO FOR THE GOLD** right here at Beattie Elementary! Once again BAT is selling the **Gold C books** that contain oodles and oodles of family savings. To mention just a few of the savings opportunities, you'll find coupons for discounts at ice cream shops, restaurants, theater performances, sporting events, ski lift tickets and various museums. Plan your winter break or spring break around these great discounts and fill your family time with sweet memories. These books are **\$10 a piece** with almost half of that coming back to Beattie to enrich your child's learning experience. Gold C Books will be on sale at the Back-to-School Nights next week, as well as in the office during the school

### **GOT GROCERIES?**

#### **GOT A FULL TANK OF GASOLINE?**

Well here's a great way to contribute to your child's school while filling your cabinets and gas tank! In the school office you purchase SAFEWAY, KING SOOPERS, or VITAMIN COTTAGE cards in \$25 or \$100 increments. Use these cards at the grocery store or gas pump and the school makes 4 or 5% on each and every purchase. Believe me, these returns add up when many people get involved in this easy and no-cost fundraiser! Look for us at the Beattie Back-to-School Nights or stop by the school office at any time to purchase your cards.

The Specials Team is beginning a new motivational strategy in support of the school wide "Positive Behavior Support" (PBS). Ask your child about the SOLE Cup, The Village of Four Corners, and The Village Council.

### **Welcome to the Art Room, a Place Where Ideas Happen!**

The beginning of the school year is so exciting! Meeting new students, reconnecting with the returning students and our community is one of my favorite times of the school year. The art room is in full swing! Our first project celebrates ideas and how each individual artist communicates in his/her own way. In the art room we honor being different. The students are beaming with excitement and they are full of new ideas for the coming year.

**September 21<sup>st</sup> is International Peace Day.** The beginning of each new school year I introduce a project that honors International Peace Day. For our first year we planted hundreds of peace pinwheels in the front of the school, the second year we draped peace pennants throughout the school, our third year we created peace paintings and individual projects, and this year we will be creating reflective writings, watercolor paintings, peace trading cards, multi-media collage and a Peace Tree. The students will be exploring the many facets of peace through poetry, artwork and music to inspire their designs. Each student artist will offer his/her own unique perspective and commitment to honor peace. The Beattie community is invited to participate in the peace project by creating an artwork or by helping with the installation of the project.

### **Evening for Art Events**

We are entering our third year of Evening for Art Events. This series of art events celebrate the creative work of our Evergreen, Silverton, and Longs Peak students. Every year has been a great success! These events are made possible by the many volunteers who gave their time and talents to create a festive art happening. Please consider volunteering some of your time. We are looking for people to volunteer to take home projects, work on display set up, help with food preparation, and set up and clean up on the night of the event.

If you have any questions or would like to volunteer please contact me via email [knoel@psdschools.org](mailto:knoel@psdschools.org) or call me at school 488-4237.

As always, thank you for the opportunity to teach your children!
