

## Long's Peak Science & Engineering Fair 2005

Congratulations to the Blevins science students who competed in the Longs Peak Science & Engineering Fair at the University of Northern Colorado.

The following students represented Blevins JHS at the Regional fair yesterday (2/3)

### Junior Division

Ian Elliott  
Ellen Cooper  
Jennifer Heath  
John Ekblad  
Kenna Alexander  
Callie Arnold

### Senior Division

Sean Miller  
Matt Belasco  
Maggie Meneghin  
Paige Schreckengest  
Heidi Mayer  
Laura Willson  
Austin Seward  
Courtney Magill

Blevins captured **6 of the 18 special awards** given at the regional fair. The following students received special awards:

Maggie Meneghin **The Kodak award** and a certificate from the **International Society of Optical Engineers**

Heidi Mayer received an award from the **American Society of Materials Engineers**

Laura Wilson received the **Navy Medal and Certificate & \$50 dollars**

Courtney Magill received awards from the **American Meteorological Society** and the prized **Scientific American** award.

Kenna Alexander was given a **superior award in the Junior division** and will participate in the **Colorado Science and Engineering Fair** at CSU April 7-9

The science department is very proud of the hard work and dedication these students have demonstrated.
