

Longs Peak Science & Engineering Fair 2006

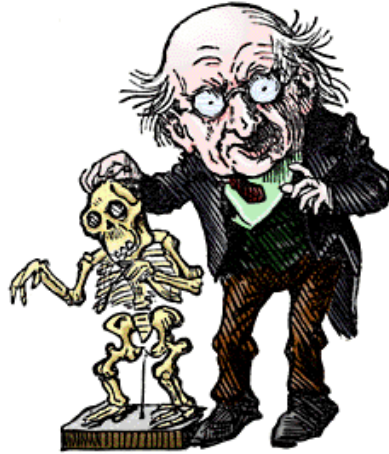

Congratulations to students who participated in the 2006 Longs Peak Science and Engineering Fair at the University of Northern Colorado.

Blevins Participants in the Senior Division

Jennifer Heath
John Ekblad

Blevins Participants in the Junior Division

Dane Whicker
Thomas Roland
Ethan Farnsworth
Elena Schwartz
Dian Enix
Garrett Sprouse
Kaitlyn Kenyon
Angie Ozello
Sean Morris

Blevins students received numerous awards:

U.S. Army

John Ekblad
Jennifer Heath

Soil and Water Conservation

Thomas Roland

Discovery Channel Young Scientist Challenge

Thomas Roland-this award gives Thomas the chance of winning a trip to the international competition.

Scientific American

Thomas Roland

Projects Winning a Spot at the Colorado State Science and Engineering Fair to be held at CSU on April 6-8, 2006

Thomas Roland
Elena Swartz
Dane Whicker

Top Junior Project at Longs Peak Science and Engineering Fair Award

Thomas Roland

We would also like to congratulate Laura Willson who attends Rocky Mountain High School. Laura continued a project started here at Blevins turning it into a two-year study. Laura received the following recognitions:

[U.S. Army](#)

[American Meteorological Society](#)

[Association for Women Geoscientists](#)

[National Oceanic and Atmospheric Administration \(NOAA\)](#)

[U.S. Naval Science Award-Senior](#)

[Scientific American](#)

Spot at the Colorado State Science and Engineering Fair

Top Senior Project at the Longs Peak Science and Engineering Fair

Direct Trip to the International Fair (expenses paid)
