

53rd Colorado Science & Engineering Fair

Results for Blevins JHS: 2009

Eleven Blevins students competed against the states 300 top science fair projects at the 53rd Colorado Science and Engineering Fair. Blevins students had a very strong showing, winning the following recognitions:

In the Senior Division Kelli Lynch was awarded 2nd place for Best Individual Project (first and third places went to 12th graders). It is unprecedented for a 9th grade student to win this award. Kelli was given an all expense paid trip to compete at the Intel International Science and Engineering Fair to be held in Reno, Nevada from May 10th through the 16th.
