

25th National Science Olympiad
Blevins JHS

The Blevins Science Olympiad team represented the state of Colorado at the 25th National Science Olympiad tournament in Augusta, Georgia this past weekend. We competed against (60) of the best teams in the nation representing (47) states. Our Blevins' team managed to break into the top half rankings with a tie for 30th place with the state of Kansas. Ashley Sorcic and Kyle Wray earned a fourth place medal for their event Fossils. Great job guys!!!! Over all the team was able to place (9) of (23) events in the top (20) rankings despite last minute set backs. This was our strongest showing yet and have now become a competitive player at the national level. Congratulations to all team members for such a strong showing. National Team members include:

9th Grade:

Erik Evans
Max Flynn
Alex Nuckols
Meleena O'Neill
Kyle Wray

8th Grade:

Leah Bauder
Nate Brinks
Kalea Burke
Andi Heath
Chris Morris
Joe O'Neill
Ashley Sorcic

7th Grade:

Kelsey Erickson

Tommy O'Neill

Emily Springer

Congratulations to both of our Science Olympiad team members for our best year yet. Mr. Viney and Mrs. Lovaas are extremely proud of all your hard work and leadership this year. What a year!!!!
