VOLUNTEER OPPORTUNITIES

There are so many ways to volunteer at Eyestone!

- ⇒ *Volunteer in your student's classroom or for your favorite grade level—your help is always appreciated.*
- ⇒ *The Scholastic Book Fair is coming and in need of workers. Nov. 12th—Nov 16th.*
- ⇒ *The annual Eyestone Craft Fair is quickly approaching. We need volunteers to help set up (Nov 30) and tear down (Dec 1). We also need volunteers to help in the Eyestone Spirit booth.*
- ⇒ *Kids Only Santa Shop (KOSS): Christmas is creeping up on us! We need several volunteers to help with this annual event. We also need someone who can chair the event. This is a great event that the kids look forward to each year. Dec. 3—Dec 7, 2007*
- ⇒ *If you are willing to help even a little please contact me at tknelson07@msn.com or you can leave me a note in the volunteer notebook. Every little bit counts and it makes such a big difference!*

New Policy and Procedures regarding Volunteers in PSD Schools

We are taking several proactive steps to protect the safety of our students and staff, including:

- The approval by the Poudre School District Board of Directors of a new policy requiring mandatory registration of **all** volunteers in our schools. The policy was approved June 26, 2006.
- The addition of a new procedure requiring criminal background checks for **all** volunteers, including one-time and long-time volunteers.

Volunteer Applications for registration are available in the front office or online at www.psdschools.org.

The State of the PTO A note from the President

A huge thank you goes out to all of our Eyestone parents and staff for their support of the new PTO. Without all of you, we wouldn't be where we are today, which is helping to make Eyestone a better place to grow and learn!!

Here's a tidbit on how our Eyestone Cougars can go further each day:

Did you know that starting each day with breakfast, such as cereal with milk...

- Can give you the energy you need to play your favorite games at recess?
- Gives you the important vitamins and minerals your body needs to stay healthy and out of the doctors office?

FUNDRAISING FOCUS
