Ways to help Eyestone Earn \$\$ w/out doing much

LABELS & BOX TOPS

Please look for a flyer in your Thursday folders soon as to what brand labels and box tops are worth mucho monies to Eyestone. You can save them at home and send them to school with your children. We sort, count and send them in for redemption of benefits to Eyestone.

Shop at these stores and mention Eyestone

Albertson's – Get an Eyestone Card
Kmart – Get an Eyestone Card

Stuff at Eyestone

Fall Book Fair- The library earns \$ for every \$ you spend there. We buy Books. Imagine that, Go Mrs. Spicer! (Don't get in her way when she is picking new books for Eyestone.)

Treasure Box– You can donate to Eyestone at any time. Monies will go to any PTO event at school.

Fall Fundraiser– This year is a Spell-A-Thon! Pledge your (and others) children for their spelling test. These pledges \$ go to Eyestone.

Welcome back. Our (PTO) goal is to have FUN! Also to have everyone informed and involved. We are all very excited about what will be happening at Eyestone this year.

As we begin I'm thinking of how to let people know we are here; and I thought of this. These next few paragraphs were previously written and are worthy of being shared as we begin another new school year.

Have a great year. Michelle Trott; Build. Coordinator

“There will never be a “good” time or “enough” time to volunteer yours, so as the swooshy shoe people say, “Just do it!”

“It” can be whatever you want it to be. Why adhere to others' standards of defining and confining, including the notion that PTO always does this and only does that? I invite all of you – parents, teachers, grandparents', community members – to join PTO in putting all norms aside, and go for broke when it comes to getting involved at our school. Certainly we're all busy, but take a moment to consider what your “busy-ness” is all about and make sure that you're giving your energy to what matters most to you and yours.

Simply spending one-on-one time with your child – or any child – benefits our school and community in the long run, as does each soup label and box top collected, every lunch session supervised, any books labeled. Talk to your child's teacher and our VIPS Coordinator and commit only to what makes your boat float, your spirit soar. Your children will be so proud!”

Humbly stated by a past PTO President Brenda Moss;
