

Volunteer Opportunities @ Eyestone

We must begin with Thank You's. Events have already happened with lots of planning and volunteers.

Ice Cream Social - Thank You Thank You Thank You - Lisa Donchez-Hart took a lot of time this summer to plan this 2 hour event held August 21st @ Eyestone. Firecracker kudos for you Lisa! You are a Doll and picked some really great flavors from Ben and Jerry's (funded by PTO \$)

Guess what?.....Lisa scooped it for you too. Bonus!

Included with Lisa, lots of Volunteers showed up to scoop the ice cream for the rest of us. I hope we mention everyone who was there. No certain order; *Carly Cooley, Marlena Friend, Our own P.E. Teacher Kate Rebrovic, Angie Anderson, Mandy Wolfe, Dave Wolfe, Crystal Bolding, Robin Stevens, CT Hart,*

Eyestone's Vision/Hearing Screening

This is a courtesy that Poudre School District helps us with. Eyestone's personal Health Tech, Jennifer Backurz headed up this years screenings. She got on the phone, called the Volunteers who helped last year and they jumped on board.

Everyone worked as a team to shuffle each child at Eyestone through both of these screenings in two days.

Mission complete!

These Volunteers are Priceless.....

...we couldn't do it without them!

Joann Belk, Christina Topping, Jessica Becker, Carolyn Houser, Joan Ford, Lisa Hart, Jen Hammer, Tracey Shea, Crystal Bolding, Connie Barber
