

Olander Executive PTO Minutes

Date: March 20, 2007

1. Treasurer Report

- Pump it Up Family Fun Night cost was \$309. After subtracting that and \$36 in juice boxes, we made a total of \$412 on the event.

2. S.O.A.R.

- Mailers went out in Friday Folders before Spring Break. Collection envelopes will be given to teachers to return them in.
- Bookmarks, reading logs, and posters to be printed this week. Posters to be put up reminding kids to turn in packets. Mrs. Wenk will be asked to make an intercom announcement.

3. Spring Family Fun Events

- **Pump it Up, wrap-up**— Comments regarding timing were mixed; after CSAPs would be good, but start of Spring Break was good too. People attending had a good time and juice boxes were a hit.
- **Skating at ODS, Friday, April 20th**— Holly heading up event w/ Rachel Olbrys. Possibly move later to 6:00 or 6:30 for parents to get kids there after work. Details to be worked out.
- **Rockies Baseball tickets through Rocky Mountain High**— None purchased yet. Denise making flyer to go out in Friday Folders.

4. Book Fair

- No update at this time. Bill calling Michelle to see about coordinating volunteers. Announcement to go in this newsletter.

5. Yearbook Update

- Order forms to be counted by Lori to figure out number of yearbooks needed. No new information at this time.

6. Teacher/Volunteer Appreciation Week

- PTO will sponsor events for teachers & staff on M,W,& F of Teacher Appreciation Week, May 6-12. Volunteer appreciation is traditionally handled by the school, not PTO.

7. Unforgettable Images

- The Board decided not to do this fundraiser after discovering that it involved Olander handling the orders and money. It was initially thought that we would simply place a flyer in Friday Folders for parents to have the opportunity to use.

8. Volunteer System

- Teal ID badges have replaced the yellow temporary ones, signaling that the wearer is a registered PSD volunteer. Registration forms are available at the volunteer sign-in station in the office, or online at the computer in the teachers' lounge. A deadline will be set to permit only those who are pre-registered and approved to volunteer in the school.

9. 2007-08 Board Recruitment

- No one has come forward yet for the President, Vice President or Treasurer positions next year.

10. PTO Funding Requests

- None submitted.

11. New Business

- The possibility of another large wall cabinet for the PTO gear in the teachers' lounge will be researched.
- Ink cartridge pick-up for recycling has not been completed since we started putting them in the new storage benches. Signs were posted on the benches to make the pick-up people aware of the new location.

Next meeting to be held Tuesday, April 3, 6:45pm, in the Media Center.
