Dear Parents:

COLD WEATHER AND RECESS—

Remember to help your kids dress appropriately for the weather. We will go outside for recess almost every day. The only exceptions are for rain and very cold weather.

If you are new to the area and from a warmer climate, be prepared for some 10°-15° days. One mistake kids make is to wear a light jacket or sweatshirt on a bright sunny 30° morning. In Colorado, the wind chill will often be 15° by noon. It's also a good idea to label coats, hats, boots, and gloves. We take four or five large bags of clothes to charity organizations twice a year.

Sincerely,

Hayden Camp
