

EEBB - USE OF PRIVATE VEHICLES ON SCHOOL BUSINESS

Staff members using their personal vehicles for district business shall be required to carry bodily liability injury limits and property damage limits which comply with the financial responsibility requirements set forth in state law. The district recommends the following minimums:

- \$100,000 per person/\$300,000 each accident for general liability
- \$300,000 per occurrence for bodily injury
- \$100,000 for property damage
