| Important Questions   | Answers  | Why This Matters:   |
|---|--|---|
| What is the overall <a href="#">deductible</a> ?                                | <b>\$500</b> individual / <b>\$1,500</b> family for <a href="#">network providers</a> ; <b>\$750</b> individual / <b>\$2,250</b> family for <a href="#">non-network providers</a>  | Generally, you must pay all of the costs from providers up to the <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay. If you have other family members on the <a href="#">plan</a> , each family member must meet their own individual <a href="#">deductible</a> until the total amount of <a href="#">deductible</a> expenses paid by all family members meets the overall family <a href="#">deductible</a> .  |
| Are there services covered before you meet your <a href="#">deductible</a> ?    | Yes. <a href="#">Preventive care</a> and outpatient mental health and substance use services are covered before you meet your <a href="#">deductible</a> .   | This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. But a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply. For example, this <a href="#">plan</a> covers certain <a href="#">preventive services</a> without <a href="#">cost-sharing</a> and before you meet your <a href="#">deductible</a> . See a list of covered <a href="#">preventive services</a> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> . |
| Are there other <a href="#">deductibles</a> for specific services?              | No.  | Generally, you must pay all of the costs from providers up to the <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay.   |
| What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a> ? | For <a href="#">network providers</a> <b>\$4,400</b> individual / <b>\$8,800</b> family; for <a href="#">non-network providers</a> <b>\$7,400</b> individual / <b>\$14,800</b> family                                    | The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services. If you have other family members in this <a href="#">plan</a> , they have to meet their own <a href="#">out-of-pocket limits</a> until the overall family <a href="#">out-of-pocket limit</a> has been met.   |
| What is not included in the <a href="#">out-of-pocket limit</a> ?               | Charges for hearing aids (for participants age 19 and up), acupuncture, and prescriptions; <a href="#">premiums</a> , <a href="#">balance-billing</a> charges, and health care this <a href="#">plan</a> does not cover. | Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a> .   |
| Will you pay less if you use a <a href="#">network provider</a> ?               | Yes. See <a href="http://tpa.uchealth.org">http://tpa.uchealth.org</a> or call 1-866-644-7873 for a list of <a href="#">network providers</a> .  | This <a href="#">plan</a> uses a <a href="#">provider network</a> . You will pay less if you use a <a href="#">provider</a> in the <a href="#">plan's network</a> . You will pay the most if you use an <a href="#">out-of-network provider</a> , and you might receive a bill from a <a href="#">provider</a> for the difference between the <a href="#">provider's charge</a> and what your <a href="#">plan</a> pays ( <a href="#">balance</a>   |

|  |     | billing). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |
| Do you need a <u>referral</u> to see a <u>specialist</u> ? | No. | You can see the <u>specialist</u> you choose without a <u>referral</u> .  |
