Enrollment totals as of 9/18/2020 reflect active K-12, non-charter, students without consideration of funding status as that data is still in fluctuation. In a normal year, the enrollment total for the district may drop 100-250 between the output of the 9/18/2020 enrollment totals and the enrollment in the October Count final funded student totals. *Journey, Community Connections, and Project Search data have been redacted as they have student counts n<15. Data for these programs are included in the total count.
