

What should I do if my child is sick?

- Shortness of Breath
- Loss of Taste or Smell
- Fever/Chills
- Cough
- Congestion/Runny Nose
- Vomiting/Nausea/Diarrhea
- Sore Throat
- Headache/Body Aches/Fatigue

If your child is experiencing any of these symptoms, please do not come to school!

Please call the Early Childhood Attendance
line. 490-3336

A member of our health team will contact
you to ask more about the symptoms. We
will go over Return to Learn Document.

Please check your email, phone messages
often and return calls.
