POUDRE SCHOOL DISTRICT

Centennial High School

CHS provides a responsive climate and relevant learning experiences coupled with small class sizes, high expectations, and high support for our students. Students are supported by the GT Coordinator and staff to explore areas of interest including post-secondary readiness and career exploration. Opportunities and access to concurrent enrollment courses at FRCC and access to Futures Lab courses. We provide opportunities for exploration in areas of personal interest. CHS's GT Program is designed to teach students how to recognize and use their potential and to become successful, self-directed learners.

Overview of the GT program at this school

CHS's GT Program:

- Provides advanced learning experiences with appropriately higher learning standards.
- Provides social and emotional guidance.
- Acknowledges strengths and interests and helps the student build on them to branch out in an interdisciplinary approach.
- Guides the student in selecting enrichment, elective, and extra-curricular opportunities.
- Centennial High School's Gifted and Talented program believes in the importance of building the academic and social/emotional needs of all students through a variety of enrichment experiences in and out of the classroom.

Advanced Learning Plan process at this school

The Advanced Learning Plan (ALP) process at CHS includes students creating and writing goals that are blended with their Individual Career and Academic Plan (ICAP) through the student's Xello account.

Programming opportunities for GT students

Affective programming for GT students

The Gifted and Talented Program at Centennial High School recognizes the GT student's affective characteristics and provides individual support through the Counseling Office, the GT Program, and through grade level teacher teams. The GT Program provides opportunities for students to discuss struggles and achievements in a safe environment with a trusted adult and/or other GT students with similar needs.
