

Gifted and Talented

POUDRE SCHOOL DISTRICT

Laurel Elementary School

Laurel offers differentiated instruction in the regular classroom setting for all students, including those identified as Gifted and Talented. Those students identified through the Poudre School District criteria will be provided with a program that is responsive to student needs and interests. Laurel's Gifted and Talented Program acknowledges the advanced student's personal, social/emotional, and academic needs and supports growth and achievement with differentiated learning in classroom curriculum, pull-out small groups, and extracurricular opportunities.

Programming Opportunities for Gifted Learners

At Laurel Elementary School, identified students are placed in GT cluster groups in the classroom to provide for streamlined differentiation, as well as daily pull-out groups. 3rd-5th students participate in GT small group pullout sessions 30 minutes daily with the GT Coordinator or GT para-professional. The Compacted Math (Acceleration) Program is available in 4th and 5th Grade who meet district criteria. This program accelerates students through the 4th, 5th and 6th grade math curriculum over the course of their 4th and 5th grade years.

Kaylie Bair – (970) 732-3304 kbair@psdschools.org

Overview of the GT program at this school

Laurel's GT Program:

- Cluster groups gifted students in the classroom according to area of identification.
- Provides advanced learning experiences with daily pull-out small groups.
- Provides social and emotional guidance through ALP goals.
- Acknowledges strengths and interests and helps the student build on them through Passion Projects.
- Laurel's Gifted and Talented program believes in the importance of building the academic and social/emotional needs of all students through a variety of enrichment experiences in and out of the classroom.

Advanced Learning Plan process at this school

Students and teachers work together to create ALP's which are focused on both Achievement and Affective goals. Gifted teachers check in with students quarterly to review and discuss ALP goals and progress.

Programming opportunities for GT students

- GT cluster groups in classroom provide for streamlined differentiation
- GT small group pullout sessions 30 minutes daily with GT Coordinator or GT para-professional.
- Compacted Math (Acceleration) Program in 4th and 5th Grade for qualified students. This program accelerates students through the 4th, 5th and 6th grade math curriculum.

Enrichment opportunities for GT students during school

- Project based learning in small groups
- Small group literacy and/or math enrichment
- Independent projects to deepen learning and understanding
- Passion projects to showcase individual strengths and interests

Enrichment opportunities for GT students before or after school

- Mighty Math Minds Competition
- Laurel Strings Program

Affective programming for GT students

Affective goals are written into all ALP's and students meet with their GT teacher to check-in on these goals throughout the year. Affective goals are discussed during Wellness Wednesdays.
