PERQUISITES FOR CABINET EMPLOYEES:

In addition to their base salary, all job codes on this salary schedule will receive the following:

Flexible compensation equivalent to the total annual cost of the District's family medical and dental benefits. For the 2025-2026 school year, this rate is based on the gross annual amount of \$27,288.00 paid in monthly installments.

Additional compensation equivalent to the required member contributions on the employee's salary paid to the Public Employee Retirement Association fund, approximately 11% of employee's salary, paid in monthly installments.

Mileage compensation for in-District mileage expenses incurred in employees' personal vehicle as a result of the professional responsibilities related to their position, at a rate based on the gross annual amount of \$5,520.00 for the 2025-2026 school year, paid in monthly installments.
