

Getting Started with StudentVUE

POUDRE SCHOOL DISTRICT

What is the StudentVUE Portal?

The StudentVUE portal allows students to view their school records. The information is accessed directly from the student information system Synergy SIS.

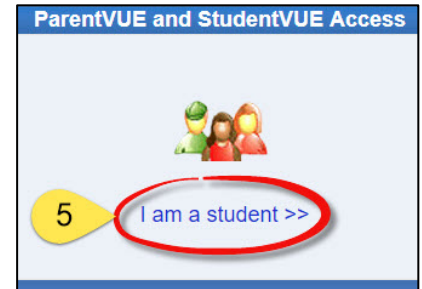

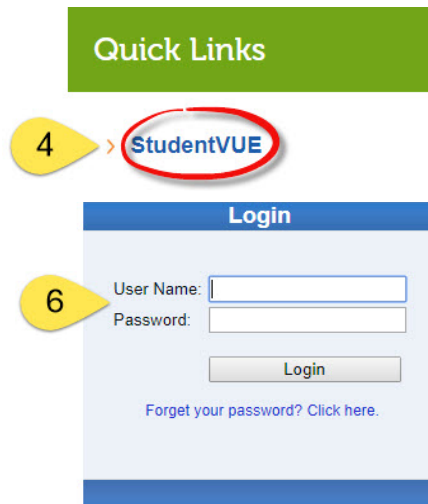

While the website is accessible over the Internet, access is secured via your individual username and password. Students can only see their own information, and cannot see the records of other students. Students may only view the information, and not make changes to their records.

How to Access StudentVUE

Note: You can go directly to StudentVUE Page by adding "/svue" after the PSD website in your address bar <https://www.psdschools.org/svue>

1. Launch an internet browser
2. Go to: <https://www.psdschools.org>
3. Click the "Students" link
4. Click the "StudentVUE" button
5. Click the "I am a student >>" link
6. Enter your Username and Password and click "Login"

Note: Your Username and Password is the same username (Student ID) and password used by PSD email and other district applications. **If you have forgotten your password, please contact your school.**

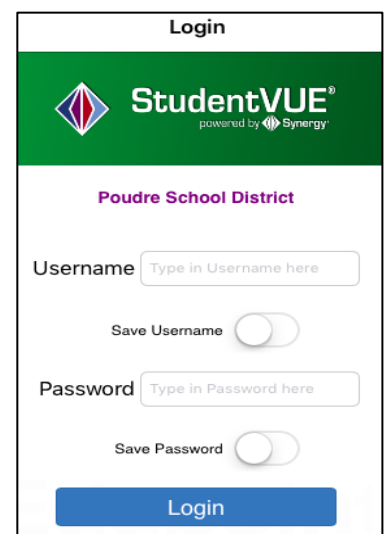

How to Access StudentVUE Mobile App

Download the StudentVUE App from the iTunes Store or Google Play.

1. Open the App
2. You will be prompted to enter your zip code
3. Select **Poudre School District** from the list of schools
4. Login using your District Student username and password and click "Login"

Note: You can save your username and password by selecting the options on the login page. This will automatically log you into StudentVUE when you open the app.

Please contact your school if you have any further questions
