KJ-Volunteers policy

Poudre School District R-1 encourages parents, guardians and other individuals from the community to volunteer their time, knowledge and abilities for the benefit of students in our schools. Authorized volunteers enrich the District's educational programs and extracurricular activities, and strengthen our schools' relationships with families, businesses, public agencies and private institutions. The presence of authorized volunteers in the classroom, on school grounds and at activities away from school also enhances the supervision of students and contributes to school safety. Volunteer helpful hints....

Welcome new or returning PSD volunteer!

Here are a few tips for making your volunteer interest successful.....

- Yearly, please keep your volunteer account information up to date. Login to your account to update/change your personal information, volunteer preferences, and/or school locations.
Visit our volunteer website: <https://www.psdschools.org/community/volunteers>
- There is no need to re-register each year.
- Each school is equipped with a computer kiosk for volunteer and visitor sign-in. If you sign-in to the kiosk at a school that is not on your volunteer record already, the kiosk will ask you to confirm that you want to add your name as a volunteer to the school. You must agree to proceed with signing in. This will add your name to the school's volunteer list. Volunteer badges are printed and distributed from the school site.
