Everybody can be great, because anybody can serve. You don't have to have a college degree to serve. You don't have to make your subject and your verb agree to serve... You don't have to know the second theory of thermodynamics in physics to serve. You only need a heart full of grace, a soul generated by love.

– Martin Luther King Jr.

Volunteer helpful hints...

Welcome new or returning PSD volunteer!

Here are a few tips for making your volunteer interest successful.....

- Yearly, please keep your volunteer account information up to date. Login to your account to update/change your personal information, volunteer preferences, and/or school locations. Visit our volunteer website: <https://www.psdschools.org/community/volunteers>
- There is no need to re-register each year.
- Each school is equipped with a computer kiosk for volunteer and visitor sign-in. If you sign-in to the kiosk at a school that is not on your volunteer record already, the kiosk will ask you to confirm that you want to add your name as a volunteer to the school. You must agree to proceed with signing in. This will add your name to the school's volunteer list. Volunteer badges are printed and distributed from the school site.
