No changes in the Bid shall be allowed after the submission deadline, except when the Supplier can show clear and convincing evidence that an unintentional factual mistake was made, including the nature of the mistake and the price actually intended.
- 2.27 The apparent silence or omissions within this Bid Solicitation regarding a detailed description of the materials and services to be provided shall be interpreted to mean that only the best commercial practices are to prevail and that only materials and workmanship of first quality are to be used.
- 2.28 Suppliers may offer a cash discount for prompt payment; however, such discounts shall not be considered in determining the lowest net cost for the Bid evaluation purposes.
- 2.29 A purchase order resulting from this solicitation shall be governed by and construed in accordance with the laws of the State of Colorado.
- 2.30 Payment for the goods and/or services furnished by the Supplier shall not constitute acceptance thereof. The District shall have the right to inspect such goods and the products of such services, and to reject any or all of which are in the District's judgment defective or nonconforming. In addition to the District's other rights, goods rejected, and goods supplied in excess of quantities specified in a purchase order, may be returned to the Supplier at the Supplier's expense. The District may charge Supplier all expenses of unpacking, examining, repacking and reshipping such goods. In the event the District receives goods whose defects or nonconformity is not apparent upon examination, the District may require replacement and/or payment of damages upon discovery of the defects or nonconformity. Nothing contained herein shall relieve, in any way, Supplier from the obligation of testing, inspection, and quality control.
- 2.31 The District may, at its sole and absolute discretion:
- 2.31.1 Reject any and all or parts of any or all Bids submitted by prospective Suppliers;
 - 2.31.2 Re-advertise this solicitation;
 - 2.31.3 Postpone or cancel the Bid process for this solicitation;

- 2.31.4 Waive any irregularities or technicalities that are not qualified as a requirement for responsiveness in this Bid or in Bids received in conjunction with this Bid; and/or
- 2.31.5 Determine the criteria and process whereby Bids are evaluated and awarded.
- 2.32 The District may terminate an agreement at any time in its sole discretion for any reason, with or without cause, upon written notice served on the Supplier no less than thirty (30) days prior to the date of termination. In the event of such early termination by the District, the Supplier shall be paid up to the date of termination for services performed under and in accordance with this agreement.
- 2.33 Information and materials submitted in response to this IFB may be considered public records subject to disclosure under the Colorado Open Records Act ("CORA"), C.R.S. §§ 24-72-200.1 to -205.5. Information and materials that Supplier believes are confidential and not subject to disclosure under CORA must be submitted separately with a citation to the section of CORA and any other relevant law under which Supplier believes they are confidential. The District, not Supplier, shall determine whether information and materials so identified will be withheld as confidential, but will inform Supplier in advance of disclosure to give it an opportunity to take legal action to protect its interests vis-à-vis the party making the CORA request.
- 2.34 Appeal of Award. Supplier may appeal the award by submitting, in writing, a request for re-consideration to the District's Procurement Services department within seventy-two (72) hours after the receipt of the notice of award.
