Q1	<p>Question: Carpet Replacement</p> <p>Is there going to be a General Contractor involved or will it just be directly through the school district and carpet vendors? When will official plans be distributed? I would like to get a good jump on the takeoffs of the schools in case any questions come up before the meeting.</p> <p>Answer: The District is looking to work directly with flooring vendor(s), not general contractors specifically. PDF versions of the plans are available through Addendum 1.</p>	02/14/2020
