IMPORTANT NOTES TO HEALTHCARE PROVIDER:

When answering the following questions, please do not take into consideration ameliorative effects of mitigating measures, such as medication; medical supplies, equipment, or appliances; low-vision devices (which do not include ordinary eyeglasses or contact lenses); prosthetics including limbs, and devices; hearing aids and cochlear implants, or other implantable hearing device; mobility devices; oxygen therapy equipment and supplies; use of assistive technology; auxiliary aids or services or learned behavioral or adaptive neurological modifications.

The Genetic Information Nondiscrimination Act of 2008 (GINA) prohibits employers and other entities covered by GINA Title II from requesting or requiring genetic information of employees or their family members. To comply with this law, we are asking that you not provide any genetic information when responding to this request for medical information. Genetic information, as defined by GINA, includes an individual's family medical history, the results of an individual's or family's genetic tests, the fact that an individual or an individual's family member sought or received genetic services, and genetic information of a fetus carried by an individual or an individual's family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services.

| 1. | Does the employee have a | a physical or mental impairment? |
|----|--------------------------|----------------------------------|
| | | |

YES

2. Does the impairment substantially limit a major life activity or bodily function? Major life activities include, but are not limited to, caring for oneself, performing manual tasks, hearing, eating, sleeping, walking, standing, lifting, bending, learning, reading, concentrating, thinking, communicating, and working.
