2019 –2020 School Year Application for Future's Lab Transportation at Fort Collins High School

High School students enrolled in classes at Future’s Lab need to apply for transportation.

- PSD Transportation will work with applicants to determine options for students to get to Future’s Lab School for 8:05am start times. Options may include TransFort or PSD hub stop locations.
- PSD will provide transportation back to the applicant’s home school at 9:55am dismissal from Future’s Lab. PSD will provide transportation from the applicant’s home school for the 2:45pm session at Future’s Lab.
- PSD Transportation will work with applicants to determine transportation options for students to get home from Future’s Lab at 4:35pm dismissal. Options may include TransFort or PSD hub stops.
- Submit a separate application for each student. Remember to sign and date the application as unsigned applications cannot be accepted. Return completed application to:
