

Bus Schedule 2019-2020

For updated schedules, check out BusStop on the PSD web site: www.psdschools.org

The PSD Bus Schedule is provided to help make the start of school go as smoothly as possible for students and parents. **Students will determine their morning and afternoon bus based on the route number. It is likely that the route number for your student's morning bus will be different than the route number for your student's afternoon bus. The route number will be posted in the window closest to the entrance door of each bus.**

Due to variable traffic and road conditions *students should be at their bus stop five minutes before the scheduled stop time.* This schedule will be adhered to as closely as possible for the start of school, however route stops and times are subject to change and will be adjusted throughout the school year. Transportation Services will notify families of any needed changes to pick-up or drop-off locations and times. For updated route information at any time during the school year, **visit the PSD website at www.psdschools.org/programs-services/transportation.**

To help elementary students learn their route numbers, they will be given a card at their school the first few days of school. This card will have their morning route number and their afternoon route number to assist students in finding their correct afternoon bus.

We encourage parents to allow their eligible students to ride the first morning so that they can be directed as to which route they will return home on. You may also use the Here Comes the Bus website at <https://login.herecomesthebus.com> to track the location of your student's route and receive notifications when the bus is close to your student's bus stop. Use the school code of **75840** when signing up for this service.

Parents are responsible for ensuring that students travel safely to and from the student's bus stop as well as maintaining proper behavior at the bus stop. It is important for your student's safety that their pick-up location remains the same each morning, and that their drop-off location remains the same each afternoon. If you need to change your student's pick-up or drop-off location, please contact **Transportation Services**.

Students who do not utilize transportation for ten consecutive school days, without notifying transportation, may have their busing canceled in order to make room for students who are requesting transportation. If your student is eligible for transportation but they will not be riding the bus, please contact **Transportation Services** at 490-3232 or transportation@psdschools.org.

Bus Schedule 2019-2020

For updated schedules, check out BusStop on the PSD web site: www.psdschools.org

The PSD Bus Schedule is provided to help make the start of school go as smoothly as possible for students and parents. **Students will determine their morning and afternoon bus based on the route number. It is likely that the route number for your student's morning bus will be different than the route number for your student's afternoon bus. The route number will be posted in the window closest to the entrance door of each bus.**

Due to variable traffic and road conditions *students should be at their bus stop five minutes before the scheduled stop time.* This schedule will be adhered to as closely as possible for the start of school, however route stops and times are subject to change and will be adjusted throughout the school year. Transportation Services will notify families of any needed changes to pick-up or drop-off locations and times. For updated route information at any time during the school year, visit the PSD website at www.psdschools.org/programs-services/transportation.

To help elementary students learn their route numbers, they will be given a card at their school the first few days of school. This card will have their morning route number and their afternoon route number to assist students in finding their correct afternoon bus.

We encourage parents to allow their eligible students to ride the first morning so that they can be directed as to which route they will return home on. You may also use the Here Comes the Bus website at <https://login.herecomesthebus.com> to track the location of your student's route and receive notifications when the bus is close to your student's bus stop. Use the school code of **75840** when signing up for this service.

Parents are responsible for ensuring that students travel safely to and from the student's bus stop as well as maintaining proper behavior at the bus stop. It is important for your student's safety that their pick-up location remains the same each morning, and that their drop-off location remains the same each afternoon. If you need to change your student's pick-up or drop-off location, please contact **Transportation Services**.

Students who do not utilize transportation for ten consecutive school days, without notifying transportation, may have their busing canceled in order to make room for students who are requesting transportation. Bus Schedule 2019-2020

For updated schedules, check out BusStop on the PSD web site: www.psdschools.org

The PSD Bus Schedule is provided to help make the start of school go as smoothly as possible for students and parents. **Students will determine their morning and afternoon bus based on the route number. It is likely that the route number for your student's morning bus will be different than the route number for your student's afternoon bus. The route number will be posted in the window closest to the entrance door of each bus.**

Due to variable traffic and road conditions *students should be at their bus stop five minutes before the scheduled stop time.* This schedule will be adhered to as closely as possible for the start of school, however route stops and times are subject to change and will be adjusted throughout the school year. Transportation Services will notify families of any needed changes to pick-up or drop-off locations and times. For updated route information at any time during the school year, visit the PSD website at www.psdschools.org/programs-services/transportation.

To help elementary students learn their route numbers, they will be given a card at their school the first few days of school. This card will have their morning route number and their afternoon route number to assist students in finding their correct afternoon bus.

We encourage parents to allow their eligible students to ride the first morning so that they can be directed as to which route they will return home on. You may also use the Here Comes the Bus website at <https://login.herecomesthebus.com> to track the location of your student's route and receive notifications when the bus is close to your student's bus stop. Use the school code of **75840** when signing up for this service.

Parents are responsible for ensuring that students travel safely to and from the student's bus stop as well as maintaining proper behavior at the bus stop. It is important for your student's safety that their pick-up location remains the same each morning, and that their drop-off location remains the same each afternoon. If you need to change your student's pick-up or drop-off location, please contact **Transportation Services**.

Students who do not utilize transportation for ten consecutive school days, without notifying transportation, may have their busing canceled in order to make room for students who are requesting transportation. If your student is eligible for transportation but they will not be riding the bus, please contact **Transportation Services** at 490-3232 or transportation@psdschools.org.
