

GBEA - STAFF ETHICS/CONFLICT OF INTEREST

No employee of the Board shall engage in or have a financial interest, directly or indirectly, in any activity that conflicts or raises a reasonable question of conflict with his duties and responsibilities in the school system.

Employees shall not engage in work of any type where information concerning customer, client, or employer originates from any information available to them through school sources.

An employee shall not sell any books, instructional supplies, musical instruments, equipment, or other school supplies to any student or to the parents/guardian of a student who attends the school served by the employee unless prior approval has been obtained from the Board.

Moreover, as there should be no conflict of interest in the supervision and evaluation of employees, at no time may any administrator responsible for the supervision and/or evaluation of any employee be directly related to him.
