

Rated Movies Permission Form

Poudre School District Board of Education Policy outlines the following guidelines for use of videos in the classroom:

Videos which are rated shall be used under the following criteria:

- Without a curricular objective, no PG-13 videos shall be shown to students under 13 or R-rated videos to students under 17.
- No R-rated videos shall be shown to elementary or junior high students.
- If PG-13 videos are shown to students under 13 or R-rated videos are shown to high school students under 17 to enhance the teaching of a curricular objective, signed permission slips shall be received from the parents/guardians prior to showing the video.
- No NC-17 or X-rated videos will be shown.
