- A. Board of Education approved school-year curricular and extracurricular fee schedules for district-wide activities can be found on the [Student Fees and Charges](#) page on the PSD website.
- B. Fee waivers are available for PSD students only. To be eligible for a fee waiver, the student must be approved to receive free or reduced priced meals in the 2025 school year and a Permission to Share Information for Fee/Charge Wavier and Programs to Receive Goods and Services form must be on file with the extracurricular option selected. "N/A" signifies that the fee is a voluntary payment; there will be no consequence to students who do not pay, regardless of waiver status.
- C. In addition to the participation fee, there may be additional voluntary activity fee and/or other charges, including but not limited to travel and registration costs and uniforms and other equipment. Additional charges are not subject to the waiver.
