Addendum 1

ADDENDUM POSTING DATE: Thursday, November 12, 2020

RFP CLOSING DATE: Thursday, November 19, 2020, 2:00 p.m. MST

The following additions, deletions, clarifications and/or changes are hereby made to the above referenced RFP:

1. The District will consider the use of subcontractors on this project. Section 1.15 of the original RFP is hereby removed and replaced with the following language:
 - 1.15 Service Providers must note in their RFP response any intent to use subcontractors. The subcontractor's name, address, phone number and three client references, along with the type of work to be performed must be included. Use of subcontractors may be considered as a factor in the District's evaluation process. If the Service Provider fails to notify the District of its intent to use subcontractors in the proposal submittal, the proposal may be considered a void offer. Subcontractors will be allowed only by written permission of the District. The Service Provider agrees that it is fully responsible to the District for the acts or omissions of its subcontractors or any persons employed by them, in the same way as it is for the acts and omissions of persons directly employed by the Service Provider. Nothing contained in the contract or any subcontract shall create any contractual relation between any subcontractor and the District.
2. Will the District accept insurance coverages and/or limits other than what is identified in section 6.0 of the RFP?
 - a. Service Providers who are unable to meet the insurance requirements as stated in the RFP, shall clearly note this as a variance in their RFP response. As part of the variance, Services Providers shall note the coverages and limits they are able to provide.
