

**12.0 REVISED BID FORM**

**FIRE ALARM REPLACEMENT PROJECTS  
November 17, 2020 - 2:00 P.M. (MST)**

Provide the information requested. Poudre School District reserves the right to reject any or all Bids or any parts thereof. This IFB may be awarded to one (1) or multiple Contractors meeting the specifications and deemed to be in the best interests of the District. Contractors may bid on one, multiple, or all projects included in this IFB. Contractor agrees to furnish all labor and materials to complete the execution of the scope described in the Bid Documents and any relating Q&A/addenda.

**12.8 UNIT PRICING:**

Contractors to complete and submit Table 1 below. Below are clarifications on the pricing to be included in each field.

Unit Price Add: The cost of a single component delivered to the project site.

Unit Price Add with Install: The cost of installing a single component. This column must include the cost of the component. For example: if the District directs the contractor to install one smoke detector, the contractor will receive payment indicated in this column. The Contractor will not receive payment for Unit Price Add+ Unit Price Add with Install.

Unit Price Delete: The credit the Owner will receive for removing a device from the bid plans. Equipment credit only per listed device.

Unit Price Delete with Install: The credit the Owner will receive for removing a device from the plans. Installation credit only per listed device.

Table 1: Unit Pricing – Contractor to Provide Completed Form

**12.10 SUBCONTRACTOR USE**

Contractors submitting bid responses shall provide a list of subcontractors that will be utilized for the completion of work associated with this IFB. The list of subcontractors shall be provided in a separate supporting document and electronically submitted with the bid response through the BidNet portal by the closing date/time. Contractor confirms that the listed subcontractors have full knowledge that their names have been offered as subcontractors for the work and the identified subcontractors have consented to listing their names herein. If Contractors will not be utilizing subcontractors a statement noting this shall be provided.
