ADDENDUM POSTING DATE: Thursday, April 22, 2021

IFB CLOSING DATE: April 27, 2021

Clarifications for all five (5) sets of plans

- The new door hinges are to be 5BB1 (not SBBL as listed in the prints).
- The new lockset is to be ND40SRHO 626 privacy lock (not ND40SRH 0626). With this being a privacy lock, there is no need for a 6-pin core (key cylinder).
