

REQUEST FOR QUOTE

WELDING BOOTHS AND ACCESSORIES

RFQ 21-700-006

Poudre School District (the District) is seeking quotes for the following Welding booths and accessories. We are building two new schools that will each need seven (7) booths and seven (7) fume arms. There is a possibility of shipping all 14 booths and 14 arms together for potential freight savings, but we will be asking to quote a couple of different ways so we can evaluate. The following items were used as a basis for measurement by the architects for these projects, so approved equals will also be considered as long as they match the specifications and notes:

1. **Welding Booth: Avani Environmental – WB-1000**
(with factory modification to reduce the interior CLEAR dimension from: 5'-0" / to: 4'-8")
2. **Welding Fume Arm: Avani Environmental - 1220**
(5" Diameter, 7" Length, and 10' Hood Diameter or approved equal)

If a product other than those listed in this solicitation is proposed, it must be an approved equal to the products listed in this solicitation. Approved equals shall be at the sole determination of the District. Please submit product specification documents for the approved equal review with bid submittal.

Delivery of the items shall be FOB destination with all transportation and handling charges paid by the awarded Supplier. The District's acceptance of any offer is made in reliance on Supplier's promised delivery date. If Supplier fails to deliver as and when promised, the District may, without liability and in addition to its other rights and remedies at law or in equity, cancel the order by notice effective when received by Supplier, and purchase substitute goods elsewhere.

The District is exempt from City, County, State and Federal Sales/Excise Taxes. Tax Exempt Certificates will be issued upon request. The District's Tax-Exempt Number is: 98-03335.

Questions regarding this RFQ must be in writing and directed to the District through the BidNet platform any time after the issuance of the RFQ through and including 2:00 p.m. MST on April 27, 2021.

Strategic Sourcing

Quotes must be submitted and received in BidNet's electronic solicitation portal on or before **2:00 p.m. MT on April 29, 2021.**

Provide the following information for the items you choose to quote:

- Brand and model for each item
- Unit price for each item
- Lead time from receipt of order
- Do you accept purchase orders?
- Please list pricing as follows:
 - Base price for item
 - Any suggested accessories priced separately.
 - Freight for seven of each item to 80549
 - Freight for *seven* of each item to 80535 (*show any savings for shipping at the same time as the 80549 shipment*)
- Include product specs and sell sheet or brochure for each item
