Information and materials that Supplier believes are confidential and not subject to disclosure under CORA must be submitted separately with a citation to the section of CORA and any other relevant law under which Supplier believes they are confidential. The District, not Supplier, shall determine whether information and materials so identified will be withheld as confidential, but will inform Supplier in advance of disclosure to give it an opportunity to take legal action to protect its interests vis-à-vis the party making the CORA request.
- 1.2 This is a solicitation for an offer and is not an offer to contract for goods or services.
- 1.3 Supplier must provide all requested information. Failure to do so may result in rejection of the proposal at the option of the District.
- 1.4 Proposals must meet or exceed specifications contained in this document.
- 1.5 The District is exempt from city, county, state, and federal sales/excise taxes. Tax exempt certificates will be issued upon request.
- 1.6 Each Supplier, its employees, representatives, and subcontractors, agrees to abide by all applicable federal, state, and local codes, laws, rules and regulations.
- 1.7 The successful Supplier shall furnish all supplies, which conform to all applicable safety codes and regulations.
- 1.8 Contact with District personnel regarding this RFP, other than inquiries to the specific Procurement Agent identified in this document, may be grounds for elimination from the selection process.
- 1.9 Proposals shall contain a signature of an authorized representative in the space provided on the Proposal Certification Form. Failure to properly sign the proposal may invalidate same and it may not be considered for award.
- 1.10 The accuracy of the solicitation is the sole responsibility of the Supplier. No changes in the proposal shall be allowed after the submission deadline, except when the Supplier can show clear and convincing evidence that an unintentional factual mistake was made, including the nature of the mistake.
- 1.11 For services requiring Supplier's presence on District property and the project site(s), the Supplier must provide proof of insurance that meets the insurance requirements stated in Section 6.0 of this document.

- 1.12 **Health and Safety Standards.** The Supplier shall have and maintain a set of protocols and guidelines to meet evolving health and safety requirements and implement any applicable communicable disease protocols, which must follow guidance and orders from state and/or local public health officials and be no less strict than the District's protocols.
- 1.12.1 Supplier shall ensure all individuals providing Services under this agreement for the Supplier wear appropriate personal protective equipment as designated in this section 1.12, at all times while on District property.
- 1.12.2 If the District is directed, or the District determines to limit or restrict access to any or all of its facilities or District Location due to a public health or safety concern, the District may, at its discretion, temporarily delay or stop Supplier's services, with or without prior notice.

- 1.14 Suppliers are required to complete the Reference Form included in this solicitation as described.
- 1.15 Supplier must note in the solicitation response any intent to use subcontractors. The subcontractor's name, address, phone number and three client references, along with the type of work to be performed must be included. Use of subcontractors may be considered as a factor in the District's evaluation process. If the Supplier fails to notify the District of its intent to use subcontractors in the proposal submittal, the proposal may be considered a void offer. Subcontractors will be allowed only by written permission of the District. The Supplier agrees that it is fully responsible to the District for the acts or omissions of its subcontractors, or any persons employed by them, in the same way as it is for the acts and omissions of persons directly employed by the Supplier. Nothing contained in the contract, or any subcontract shall create any contractual relation between any subcontractor and the District.
- 1.16 The District reserves the right to reject any and all proposals or any part thereof, to waive any formalities, and further, to award the proposal to the responsible Supplier as deemed in the best interest of the District.
- 1.17 There is no expressed or implied obligation for the District to reimburse responding Suppliers for any expenses incurred in preparing proposals in response to this request.
- 1.18 The District reserves the right to negotiate further with one or more Suppliers or to request additional information. The District may make such inquiries and conduct such investigations as it deems necessary to determine the qualifications

and ability of the Supplier to provide the services called for under the RFP and/or represented in the Supplier's response. Suppliers shall timely provide information to the District in connection with such inquiries and investigations. Suppliers may be asked to give presentations to the District regarding their proposals.

1.19 Should the District determine, in its sole discretion, that only one Supplier is fully qualified or that one Supplier is clearly more highly qualified than the others under consideration, a contract may be negotiated and awarded to that Supplier.

1.20 **Individuals Providing Services for Supplier Under this Agreement.** The Supplier shall not utilize any laborer or employee who has been convicted of a violent crime or a crime of such nature (e.g., child related offenses) as to categorize the person as being unsuitable for working around school children or has engaged in such conduct as to be similarly categorized. In the event the District has reasonable grounds to believe that any individual assigned to perform work under this Agreement has a criminal record, is a registered sex offender, has exhibited violent behavior or is under the influence of alcohol or an illegal substance, including marijuana, while performing the Services or based upon other information the District deems reliable, the District may exclude such individual from any District property or impose reasonable conditions upon such individual's presence at any District Location unless the Supplier submits a copy of a completed security/background check on the employee. In the judgement of the District, if the Services cannot be performed as a result of such action, the Agreement may be terminated with cause. Removal of a specific person(s) will not relieve the Supplier from timely performance of work completion and will not be considered grounds for a request for additional funds or time extension to complete the Services.

1.21 **Independent Contractor**

1.21.1 The Supplier shall provide the services as an independent contractor of the District. As such, the Supplier shall have the right to determine how and by whom the services will be provided, subject to and consistent with the terms and conditions of this solicitation.

employer-employee relationship between a future Supplier and the District. The future Supplier will not be considered a partner, agent or representative of the District and will not represent itself to be a partner, agent, or representative of the District. The District is not a partner, agent or representative of any future Supplier and shall not represent itself to be a partner, agent, or representative of the Supplier.

1.22 **Certification Regarding a Worker Without Authorization.** Supplier certifies, represents, warrants and agrees that it will not knowingly employ or contract with a worker without authorization to provide services under this Agreement, and will not enter into a contract with a subcontractor that fails to certify to Supplier that the subcontractor will not knowingly employ or contract with a worker without authorization to provide services under this Agreement. Supplier also certifies, represents, warrants and agrees that it will confirm the employment eligibility of all its employees who are newly hired for employment to provide services under this Agreement through Supplier’s participation in either: (a) the E-Verify Program created under federal law and jointly administered by the Department of Homeland Security and the Social Security Administration; or (b) the Colorado Department of Labor and Employment Program (“Department Program”) established pursuant to C.R.S. § 8-17.5-102(5)(c).

1.22.1 Supplier shall not use either the E-Verify Program or the Department Program procedures to undertake preemployment screening of job applicants while this Agreement is being performed. If Supplier obtains actual knowledge that a subcontractor providing services under this Agreement knowingly employs or contracts with a worker without authorization, Supplier shall notify the subcontractor and the District within three (3) days that Supplier has such actual knowledge and terminate the subcontract within three (3) days of providing the notice if the subcontractor has not stopped employing or contracting with the worker without authorization. Supplier shall comply with any reasonable request made by the Department of Labor and Employment in the course of an investigation undertaken pursuant to the authority of C.R.S. § 8-17.5-102(5). If Supplier participates in the Department Program, it shall: (a) notify the District and the Department of Labor and Employment of such participation as required by law; and (b) within twenty (20) days after hiring an employee to provide services under this Agreement, provide to the District a written notarized copy of an affirmation that it has examined the legal work status of such employee, retained file copies of the documents required by 8 U.S.C. § 1324a, and not altered or falsified the identification documents for such employee.

1.23 **Qualifications of Supplier**

1.23.1 The District may make such reasonable investigations as deemed proper and necessary to determine the ability of the Supplier to perform the work

and the Supplier shall furnish to the District all such information and data for this purpose as may be requested.

1.23.2 The District further reserves the right to reject any proposal if the evidence submitted by, or investigations of, such Supplier fails to satisfy the District that such Supplier is properly qualified to carry out the obligations of the contract and to complete the work/furnish the item(s) contemplated therein.

1.24 **Warranty/Guarantee Laws and Regulations.** By acceptance of an Agreement as a result of this RFP, in addition to the guarantees and warranties provided by law, Supplier expressly guarantees and warrants as follows:

1.24.1 That the articles to be delivered hereunder will be in full conformity with the specifications or with the approved sample submitted and agreed that this warranty shall survive acceptance of delivery and payment for the articles and that the Supplier will bear the cost of inspecting and/or testing articles rejected.

1.24.2 That the articles to be delivered hereunder will not infringe on any valid patent, trademark, trade name, or copyright, and that the Supplier will, at his own expense, defend all actions or suits charging such infringement. The Supplier will save and hold harmless Poudre School District, its Board of Education, officers, employees, agents, and representatives from any and all claims, losses, liabilities and suits arising there from.

1.24.3 That the articles to be delivered hereunder will be manufactured, sold and/or installed in compliance with the provisions of all applicable Federal, State, and local laws and regulations.

1.24.4 That nothing contained herein shall exclude or affect the operation of any implied warranties otherwise arising in favor of Poudre School District.

1.25 **Miscellaneous**

1.25.1 **Equal Opportunity.** It is agreed that no otherwise qualified Supplier shall be excluded from participating in, be denied the benefits of, or be subject to discrimination, including harassment, under any provision of this Agreement on the basis of race; creed; color; national origin; age; sex; pregnancy; physical recovery from childbirth or a related condition; sexual orientation; marital status; veteran status; religion; genetic information; gender expression; gender identity; ancestry; or disability.

1.25.2 **Appeal of Award.** The Supplier may appeal the award by submitting, in writing, a request for re-consideration to the District's Executive Director of Finance within seventy-two (72) hours after the receipt of the notice of award.

- 1.25.3 In the event the awarded Supplier defaults on its contract or the contract is terminated for cause due to performance, the District reserves the right to re-procure the Services from the next lowest Supplier or from other sources during the remaining term of the terminated/defaulted contract. Under this arrangement, the District shall charge the awarded Supplier any differences between its price and the price to be paid to the next lowest Supplier, as well as any costs associated with the re-solicitation effort which resulted from such default or termination.
- 1.25.4 This solicitation does not commit the District to award a contract or to pay any costs incurred in the preparation of a proposal or to procure a contract for the services. The District reserves the right to accept or reject any or all proposals received as a result of this request or to cancel in part or in its entirety this solicitation if it is deemed to be in the best interest of the District. The District reserves the right to accept any portion of the proposal, or the entire proposal as deemed in the best interest of the District.
- 1.25.5 For the purposes of solicitation evaluation, Supplier must indicate any variances to the specifications and terms and conditions, no matter how slight. If variations are not stated in the Supplier's response, it shall be construed that the proposal fully complies with the specifications and terms and conditions. Notwithstanding the above, it is hereby agreed and understood that the District reserves the right to reject these variations if they individually or, as a whole, do not meet the standards established in the specifications. Modifications to this RFP document and/or exhibit will not be considered valid and may be cause for disqualification. Award of this solicitation does not constitute the District's acceptance of the Supplier's proposed variations.
- 1.25.6 Sustainability. The District is committed to be a responsible steward of our natural resources and believes that public education should provide leadership in developing an ethic of sustainability in all its practices. In the District we have both Energy Conservation and Waste Management policies and espouse these values, making environmental stewardship and integral part of the physical plant operation.
