The District has two LEED certified school buildings and over 30 Energy Star awards and supports operational sustainability in all areas of work.

GENERAL INFORMATION

- The District's current capitalization threshold is \$5,000.00.
- BusinessPLUS, an integrated enterprise resource planning (ERP) solution, is utilized to track District capital assets for accounting purposes.
 - Use of BusinessPLUS for capital assets began in 2000. The database was populated based on a data import from the prior system and did not include useful lives and depreciation information.
 - In 2010, utilizing consultants from the external audit firm at the time, the data base was updated to include useful lives and deprecation calculations to comply with Governmental Accounting Standards Board (GASB) Statement No. 34.
- There are currently 10,032 individual asset records in the BusinessPLUS capital asset database.
- As of July 1, 2021, historical cost, accumulated depreciation, and depreciated value, by current asset classification, associated with assets currently in the database is as follows:

Capital assets, not being depreciated:	
Land	\$ 29,190,669
Construction in progress	237,668,138
Water rights	1,855,235
Total capital assets, not being depreciated	<u>268,714,042</u>

Total capital assets, being depreciated, net	<u>242,288,854</u>
Governmental activities capital assets, net	<u>\$ 511,002,896</u>

- Invoices are not available to support the historical cost value of capital assets prior to July 1, 2013.
 - Invoices for assets purchased between July 1, 2013 and June 30, 2017 are not included in the capital asset database but can be obtained from records storage.
 - Invoices for assets purchased prior to June 30, 2017 are attached to the asset record in the capital asset database.
- Facilities utilizes School Dude, a different database that is not integrated with BusinessPLUS, to track maintenance inventory, including equipment and systems.
- Risk Management maintains a list of properties and buildings for insurance purposes. The list is reviewed annually by the insurance company who assigns the estimated replacement value of the buildings and property therein using E2Value, a web-based property valuation solution. Building contents are not itemized but are estimated at 15% of the building value.
- A tagging system has not been consistently utilized to identify applicable assets (e.g. furniture, equipment, etc.). The IT Department does utilize tagging and tracking systems for IT assets; however, we do not believe the systems are conducive to or will support District-wide asset tracking.

The District, not Service Provider, shall determine whether information and materials so identified will be withheld as confidential, but will inform Service Provider in advance of disclosure to give it an opportunity to take legal action to protect its interests vis-à-vis the party making the CORA request.
- 1.10 Proposals shall contain a signature of an authorized representative in the space provided on the Proposal Certification Form. Failure to properly sign the proposal may invalidate same and it may not be considered for award.
- 1.11 The accuracy of the solicitation is the sole responsibility of the Service Provider. - 1.13.2 If the District is directed, or the District determines to limit or restrict access to any or all of its facilities or District Location due to a public health or safety concern, the District may, at its discretion, temporarily delay or stop Service Provider's services, with or without prior notice.

The Service Provider agrees that it is fully responsible to the District for the acts or omissions of its subcontractors, or any persons employed by them, in the same way as it is for the acts and omissions of persons directly employed by the Service Provider. Nothing contained in the contract, or any subcontract shall create any contractual relation between any subcontractor and the District.
- 1.17 The District reserves the right to reject any and all proposals or any part thereof, to waive any formalities, and further, to award the proposal to the responsible Service Provider as deemed in the best interest of the District.
- 1.18 There is no expressed or implied obligation for the District to reimburse responding Service Providers for any expenses incurred in preparing proposals in response to this request.

Prior to proposal submission, Service Provider are encouraged to check the BidNet website to ensure additional requirements are incorporated into its submissions.
- 1.21 The District reserves the right to negotiate further with one or more Service Providers or to request additional information. The District may make such inquiries and conduct such investigations as it deems necessary to determine the qualifications and ability of the Service Provider to provide the services called for under the RFP and/or represented in the Service Provider's response. Service Providers shall timely provide information to the District in connection with such inquiries and investigations. Service Providers may be asked to give presentations to the District regarding their proposals.
- 1.22 Should the District determine, in its sole discretion, that only one Service Provider is fully qualified or that one Service Provider is clearly more highly qualified than the others under consideration, a contract may be negotiated and awarded to that Service Provider.
- 1.23 **Individuals Providing Services for Service Provider Under this Agreement.** The Service Provider shall not utilize any laborer or employee who has been convicted of a violent crime or a crime of such nature (e.g., child related offenses) as to categorize the person as being unsuitable for working around school children or has engaged in such conduct as to be similarly categorized. In the event the District has reasonable grounds to believe that any individual assigned to perform work under this Agreement has a criminal record, is a registered sex offender, has exhibited violent behavior or is under the influence of alcohol or an illegal substance, including marijuana, while performing the Services or based upon other information the District deems reliable, the District may exclude such individual from any District property or impose reasonable conditions upon such individual's presence at any District Location unless the Service Provider submits a copy of a completed security/background check on the employee. In the judgement of the District, if the Services cannot be performed as a result of such action, the Agreement may be terminated in accordance with section 1.3 of this Agreement. Removal of a specific person(s) will not relieve the Service Provider from timely performance of work completion and will not be considered grounds for a request for additional funds or time extension to complete the Services.
- 1.23.1 The Contractor, its laborers and employees shall not fraternize or otherwise communicate with any District students except in cases of safety and like necessities.

- 1.24 The District intends for the contract to commence upon complete execution of a successfully negotiated agreement and continue in full force and effect through and including June 30, 2023, unless earlier terminated by the District as provided in Section 1.27 below. The final award and contract start date is contingent upon a successfully negotiated and fully executed contract between the District and the recommended Service Provider. The intended date is provided for planning purposes only.
- 1.25 For services provided, and at the option of the District, the agreement may be extended beyond the first term for up to four (4) additional one-year terms, subject to the parties' negotiation of mutually agreed upon amendments to the Agreement for each one (1) year term. Pricing will remain fixed and firm for the initial term and all extensions of the agreement.
- 1.26 Notwithstanding any other term or provision of this Request for Proposal, the District's obligations hereunder are expressly subject to its budgeting and appropriation of sufficient funds for each fiscal year (July 1 - June 30) a contract is in effect. In no event shall the District's obligations in a contract constitute a multiple-fiscal year direct or indirect debt or other financial obligation under Article X, Section 20(4)(b) of the Colorado Constitution.
- 1.27 Notwithstanding the provisions of sections 2.1 and 2.2 above, either party may terminate this Agreement at any time in that party's sole discretion for any reason, with or without cause, by providing the other party with thirty (30) days' advance written notice. In the event of such termination: (a) the District shall pay Service Provider for all Services performed under and in accordance with this Agreement up to the date of termination; and (b) Service Provider shall reimburse the District for all payments made in excess of Services performed up to the date of termination.
- 1.28 **Independent Contractor**
- 1.28.1 The Service Provider shall provide the services as an independent contractor of the District. As such, the Service Provider shall have the right to determine how and by whom the services will be provided, subject to and consistent with the terms and conditions of this solicitation.
- 1.28.2 The Service Provider shall be exclusively responsible for: (a) all compensation, employment tax withholdings and payments, and all fringe benefits for its employees in full compliance with all applicable federal, state and local laws; (b) all insurance coverages and benefits for its employees in full compliance with all applicable federal, state and local laws, including but not limited to pension or retirement benefits, workers' compensation, unemployment compensation, and Social Security benefits; and (c) all payments to its suppliers and subcontractors for goods and/or services directly or indirectly related to this solicitation.

1.28.3 Nothing in this solicitation or as a result of this solicitation shall be construed as creating a single enterprise, partnership, joint venture or employer-employee relationship between a future Service Provider and the District. The future Service Provider will not be considered a partner, agent or representative of the District and will not represent itself to be a partner, agent or representative of the District. The District is not a partner, agent or representative of any future Service Provider and shall not represent itself to be a partner, agent or representative of the Service Provider.

1.29 **Certification Regarding a Worker Without Authorization.** Service Provider certifies, represents, warrants and agrees that it will not knowingly employ or contract with a worker without authorization to provide services under this Agreement, and will not enter into a contract with a subcontractor that fails to certify to Service Provider that the subcontractor will not knowingly employ or contract with a worker without authorization to provide services under this Agreement. Service Provider also certifies, represents, warrants and agrees that it will confirm the employment eligibility of all its employees who are newly hired for employment to provide services under this Agreement through Service Provider's participation in either: (a) the E-Verify Program created under federal law and jointly administered by the Department of Homeland Security and the Social Security Administration; or (b) the Colorado Department of Labor and Employment Program ("Department Program") established pursuant to C.R.S. § 8-17.5-102(5)(c).

1.29.1 Service Provider shall not use either the E-Verify Program or the Department Program procedures to undertake preemployment screening of job applicants while this Agreement is being performed. If Service Provider obtains actual knowledge that a subcontractor providing services under this Agreement knowingly employs or contracts with a worker without authorization, Service Provider shall notify the subcontractor and the District within three (3) days that Service Provider has such actual knowledge, and terminate the subcontract within three (3) days of providing the notice if the subcontractor has not stopped employing or contracting with the worker without authorization. Service Provider shall comply with any reasonable request made by the Department of Labor and Employment in the course of an investigation undertaken pursuant to the authority of C.R.S. § 8-17.5-102(5). If Service Provider participates in the Department Program, it shall: (a) notify the District and the Department of Labor and Employment of such participation as required by law; and (b) within twenty (20) days after hiring an employee to provide services under this Agreement, provide to the District a written notarized copy of an affirmation that it has examined the legal work status of such employee, retained file copies of the documents required by 8 U.S.C. § 1324a, and not altered or falsified the identification documents for such employee.

1.30 **Qualifications of Service Provider**

- 1.30.1 The District may make such reasonable investigations as deemed proper and necessary to determine the ability of the Service Provider to perform the work and the Service Provider shall furnish to the District all such information and data for this purpose as may be requested.
- 1.30.2 The District further reserves the right to reject any proposal if the evidence submitted by, or investigations of, such Service Provider fails to satisfy the District that such Service Provider is properly qualified to carry out the obligations of the contract and to complete the work/furnish the item(s) contemplated therein.

1.31 **Miscellaneous**

- 1.31.1 Once the evaluation is complete and the Intent to Award has been issued to the recommended Service Provider, the recommended Service Provider will work with the District's Contract Administrator to successfully negotiate an agreement.
- 1.31.2 **Governing Law and Venue.** All issues regarding the formation, performance and/or legal enforcement of the Contract shall be governed by and construed in accordance with the laws of the State of Colorado. Venue for the resolution of any disputes arising out of or relating to the Contract shall be in Larimer County, Colorado.
- 1.31.3 **Equal Opportunity.** It is agreed that no otherwise qualified Service Provider shall be excluded from participating in, be denied the benefits of, or be subject to discrimination, including harassment, under any provision of this Agreement on the basis of race; creed; color; national origin; age; sex; pregnancy; physical recovery from childbirth or a related condition; sexual orientation; marital status; veteran status; religion; genetic information; gender expression; gender identity; ancestry; or disability.
- 1.31.4 **Appeal of Award.** The Service Provider may appeal the award by submitting, in writing, a request for re-consideration to the District's Executive Director of Finance within seventy-two (72) hours after the receipt of the notice of award.
- 1.31.5 In the event the awarded Service Provider defaults on its contract or the contract is terminated for cause due to performance, the District reserves the right to re-procure the Services from the next lowest Service Provider or from other sources during the remaining term of the terminated/defaulted contract. Under this arrangement, the District shall charge the awarded Service Provider any differences between its price and the price to be paid to the next lowest Service Provider, as well as, any costs associated with the re-solicitation effort which resulted from such default or termination.

- 1.31.6 This solicitation does not commit the District to award a contract or to pay any costs incurred in the preparation of a proposal or to procure a contract for the services. The District reserves the right to accept or reject any or all proposals received as a result of this request or to cancel in part or in its entirety this solicitation if it is deemed to be in the best interest of the District. The District reserves the right to accept any portion of the proposal, or the entire proposal as deemed in the best interest of the District.
- 1.31.7 For the purposes of solicitation evaluation, Service Provider must indicate any variances to the specifications and terms and conditions, no matter how slight. If variations are not stated in the Service Provider's response, it shall be construed that the proposal fully complies with the specifications and terms and conditions. Notwithstanding the above, it is hereby agreed and understood that the District reserves the right to reject these variations if they individually or, as a whole, do not meet the standards established in the specifications. Modifications to this RFP document and/or exhibit will not be considered valid and may be cause for disqualification. Award of this solicitation does not constitute the District's acceptance of the Service Provider's proposed variations.
- 1.31.8 Sustainability. The District is committed to be a responsible steward of our natural resources and believes that public education should provide leadership in developing an ethic of sustainability in all its practices.
