Q1	<p>Question: Delivery Question</p> <p>Can the delivery be done as a pallet drop? This would allow the school warehouse personnel to unpack the pallet and notify us of any issues throughout the day rather than trying to check in all cases while driver is available.</p> <p>Answer: The District would be willing to consider a pallet drop off with the stipulation that if there are any shortages or rejections (due to poor quality), that a replacement or approved substitution must be send out the same day by end of day (2:00PM) and all other requirements are met.</p>	10/26/2022
