

LIMITED SCOPE AGREEMENT
FOR
PROVISION OF PROFESSIONAL SERVICES, CONSTRUCTION SERVICES, AND/OR
MATERIALS

THIS AGREEMENT, effective the [redacted] day of [redacted], 202[redacted], by and between Poudre School District R-1, hereinafter referred to as the "District," and [redacted], hereinafter referred to as the "Contractor," for the following project:

IFB # 21-XXX-XXX

WITNESSETH THAT:

WHEREAS, the District is desirous of engaging the services of the Contractor for purposes of obtaining the Contractor's expertise in the areas of construction and/or to provide certain materials for the above project; and

WHEREAS, the Contractor has agreed to provide such services and/or materials under certain terms and conditions as hereinafter set forth; and

WHEREAS, the services and/or materials to be provided by the Contractor are to be limited to the services which are more fully described herein; and

WHEREAS, the parties hereto wish to memorialize, in writing, the terms of their agreements and understandings with regard to the rights and obligations of the District and the Contractor in connection therewith.

NOW, THEREFORE, in consideration of the covenants and promises hereinafter set forth, the parties hereto agree as follows:

1. The Contractor will provide the services which are described herein and contemplated to be provided by the Contractor in fulfillment of the project of the District, and in accordance with the scope of services, including the project scope and specifications, set forth in the District's Invitation for Bid (IFB) #21-XXX-XXX, which is attached as "Exhibit 1" and incorporated herein by reference. The provisions of this Agreement shall prevail in the event of conflict between this Agreement and any Exhibit hereto or any purchase order associated herewith.
2. The Contractor shall perform the services in a professional manner and in conformity with all applicable federal, state, county, and local municipal or regulatory statutes, ordinances, codes, standards, directives, rules, and regulations. The Contractor shall indemnify and hold harmless the District and the District's Board members, employees, representatives and agents from and against any and all liability arising from any suit, action, grievance, charge or proceeding brought in connection with or related to: (a) the Contractor's operations; (b) the Contractor's provision of the Services; (c) the Contractor's actual or

alleged infringement of any third party's patent or copyright; and/or (d) the conduct of any of the Contractor's employees, volunteers, agents or representatives. The indemnification and hold harmless obligation hereunder shall include all attorney fees, costs and expenses incurred by the District and/or the District's Board members, employees, representatives and/or agents in defense of said suits, actions, grievances, charges and/or proceedings. Nothing in this section or otherwise in this Agreement shall be construed in any way or applied in any manner as a compromise or waiver of the District's rights and protections under the Colorado Constitution or the Colorado Governmental Immunity Act. Any materials obtained or provided by the Contractor hereunder shall be of good quality and sufficient for the project and/or the District's needs.

3. The District shall provide the Contractor with complete information concerning the project and shall allow the Contractor the opportunity to review all necessary and reasonable documents concerning the project.
4. The Contractor shall not be liable for the District's use of materials prepared by the Contractor if the District's use is beyond the scope of the project.
5. Changes in the nature and scope of the services to be provided by the Contractor pursuant to this Agreement shall be as agreed upon in writing from time to time by the Contractor and the District. Any material changes in the nature of the services to be provided by the Contractor must first be reduced to writing and executed by the District and Contractor.
6. This Agreement may be terminated by either of the parties hereto upon seven (7) days written notice to the other party if either party should fail to substantially perform its obligations pursuant to this Agreement. If not so terminated, this Agreement shall continue until the services (as set forth in the scope of services) have been completed, but in any event, no later than [REDACTED].
 - 6.1. Notwithstanding the provisions of section 6, the District may terminate this Agreement at any time in its sole discretion for any reason, with or without cause, upon written notice served on the Contractor no less than thirty (30) days prior to the date of termination. In the event of such early termination by the District, the Contractor shall be paid up to the date of termination for services performed under and in accordance with this Agreement.
7. The compensation to be paid by the District to the Contractor shall be \$ [REDACTED], subject to early termination of this Agreement as described in section 6.
8. For all purposes, the Contractor is an independent contractor of the District and not an employee. This Agreement shall not be deemed to create any partnership or joint venture or other enterprise between the parties or any employer-employee relationship and is executed, in part, to rebut the presumptions set forth in Sec. 8-40-202(2), C.R.S.
 - 8.1. The Contractor shall be responsible for obtaining the Contractor's own workers' compensation, medical, health, unemployment and other insurance and coverage as

contractor deems necessary or as may be required by law. The Contractor is required to make appropriate filings with federal, state, and local taxing authorities to include income tax, social security, Medicare, and other payments. No federal or state withholdings shall be made by the District on any compensation paid to the Contractor and for services rendered under this Agreement.

9. In the event of any dispute or claim arising under or related to this Agreement, the parties shall use their best efforts to settle such dispute or claim through good faith negotiations with each other. If such dispute or claim is not settled through negotiations within 30 days after the earliest date on which one party notifies the other party in writing of its desire to attempt to resolve such dispute or claim through negotiations, then the parties agree to attempt in good faith to settle such dispute or claim by mediation conducted under the auspices of a recognized established mediation service within the State of Colorado. Such mediation shall be conducted within 60 days following either party's written request therefor. If such dispute or claim is not settled through mediation, then either party may initiate a civil action in the state courts of Larimer County, Colorado. No such action shall be removed to any other court or jurisdiction. The prevailing party in such court action shall be entitled to collect, as part of any judgment entered, its reasonable expert witness and attorneys' fees and costs.
10. The Contractor agrees to procure and maintain, at its sole expense, all licenses or registrations necessary for doing business within the applicable governing jurisdictions that may regulate the performance of the work set forth in this Agreement and any attached Exhibits or Attachments, except in those instances when the District is required to procure them due to ownership of the building, structure, or property.
11. The Contractor shall procure and maintain the required insurance specified in Section 8.0 of IFB 21-XXX-XXX, attached as Exhibit 1 by reference.
12. This Agreement shall be governed by and construed in accordance with the laws of the State of Colorado.
13. Contractor shall maintain documentation of services provided to the District under the terms of this Agreement and said information shall be available to the District at any time upon request. The District's representative shall monitor and coordinate the performance of the terms of this Agreement. The Contractor agrees to coordinate activities under this Agreement with the District's representative, (Name) _____, (Title) _____.
14. Performance and Payment Bond. Colorado State Statues require Performance Bond and a Payment Bond on public construction projects of more than \$50,000.00. Contractor is required to post bonds, executed by a surety company authorized to do business in the State of Colorado, upon notification of bid award. Performance and Payment bonds will each be equal to 100% of contract price and must remain in effect until completion of contract.

14.1. Both the Performance Bond and the Payment Bond shall be written on AIA A312

Institute of Architects. Dates of bonds shall coincide with the date of the Contract between the Owner and the Contractor. Substitute forms may not be used.

Lead-Based Paint Materials Clause – Protection of Persons or Property

Lead-Based Paint Materials:

1. Notice is hereby given that Poudre School District, in accordance with the United States Environmental Protection Agency's Lead Safety for Renovation, Repair, and Painting Rule has performed lead-based paint inspections of its elementary school facilities constructed prior to 1980.
2. Lead-Based Paint Evaluation Reports are available for review at each elementary school built prior to 1980 and at the Department of Facility Services, Operations Service Center without cost or restriction for inspection during normal business hours. Copies can be made of such reports at the normal copying charges established by the District.
3. In the event that lead-based paint materials or suspected lead-based paint materials are discovered in the area designated for construction, the Contractor assumes responsibility to notify to the District and all workmen of existing lead-based paint conditions. Notification shall be made on approved EPA Forms and includes posting of notices in accordance with EPA and OSHA Guidelines. The Contractor shall assume all responsibility for compliance with applicable codes and regulations regarding discovery and notification of the presence of lead-based paint material.
4. If suspect lead-based paint material is identified, the Contractor shall not continue until the District, upon proper notification from the Contractor or Subcontractor, has the suspected lead-based materials analyzed. This will be done promptly by the District. If the Contractor proceeds after notification by the District not to proceed, the Contractor shall become liable for all costs associated with the cleaning and clearance for occupancy (using clearance testing method set out by the RRP Rule Regulations) of the structure or site.
5. All Work impacting Lead-Based Paint shall be performed by firms and individuals certified in Lead Safety for Renovation, Repair, and Painting. A copy of the firm's certification and a copy of certification of renovators shall be provided to the District within 10 days of contract issuance. STORMWATER MANAGEMENT PERMIT

1. The Contractor is responsible for securing and paying for the State Stormwater Management Permit and/or local Stormwater Management Permit as may be required.
 - 1.1. The contractor is responsible to ensure that all the requirements of either the State or local Stormwater Management Permit are strictly followed during construction.
 - 1.2. The Contractor shall review and follow the District's Illicit Discharge reporting procedures in the event of an occurrence.
2. The District may engage a civil engineer to prepare an erosion control plan as part of the overall contract documents.
 - 2.1. The Contractor can use or modify the contract document plan as necessary in their preparation of the Stormwater Management Permit application. However, this does not relieve the Contractor from preparing their own site specific plan for application submission if no plan is provided in the contract documents.
3. The District or designated District's representative may inspect the Stormwater Management plan, project site and Best Management Practices (BMPs) and communicate noted deficiencies for corrective measures at any time during the construction project.
 - 3.1. The Contractor shall be fined up to \$250 dollars per day in addition to any Federal, State or local fines until deficiencies are corrected.
 - 3.2. The Contractor shall coordinate all inspections required by the State or authority having jurisdiction (AHJ).
4. The District's final acceptance of the project and Contractor de-mobilization does not relieve the Contractor of their responsibilities and duties as required in the permit, (i.e., maintain BMPs, regular and post-event inspections as defined in the permit, etc.) while it is still open.
 - 4.1. Final acceptance of ground areas including permanent stormwater structures shall only occur after the required vegetation and stabilization has been established.
 - 4.2. The Contractor is required to conduct monthly inspections of the site and BMPs during this warranty period and make corrective changes to the BMPs or add BMPs as needed.
5. The Contractor will notify the District in writing when they believe all vegetation and stabilization has reached the contract requirements and they want to close the Stormwater Management Permit.
 - 5.1. The District must be allowed the opportunity to review the site and approve the contractor's request to close the permit. The Contractor cannot apply to close the Stormwater Management permit without the District's written approval.
 - 5.2. It is the contractor's responsibility to remove and dispose of all BMPs after the Stormwater Management Permit has been closed.
6. The Contractor shall provide full-time, qualified, and efficient supervision of the work, using competent skill and attention.
 - 6.1. The Contractor's superintendent shall be knowledgeable and completed training in

Stormwater Management & Erosion Control and OSHA construction safety.

- 6.2. The superintendent shall be knowledgeable of all building codes that govern the construction of the project.
- 6.3. The superintendent shall direct, schedule, and coordinate the work.
- 6.4. The superintendent is responsible for determining and supervising all temporary and permanent erection and construction sequences, techniques, means and methods.
- 6.5. The superintendent shall coordinate the work to ensure that all parts fit together properly and in accordance with the Contract Documents.
- 6.6. The superintendent shall carefully study and compare all Contract Documents and other instructions and shall at once report to the Architect (if applicable) and the District any error, inconsistency, or omission which they may discover.
