The District shall provide copies of this IFB to suppliers through the Rocky Mountain E-Purchasing System electronic solicitation platform, <http://www.RockyMountainBidSystem.com> (“BidNet”), where registered suppliers are required to submit their electronic bid responses.

Questions regarding this IFB must be in writing and directed to the District through the BidNet platform any time after the issuance of this IFB through and including 2:00 p.m. MST on October 22, 2021. The District will only accept and consider electronically submitted bids. Bids must be submitted and received in BidNet’s electronic solicitation portal by 2:00 p.m. MST on November 2, 2021. At that time, the submission portal will close, and no further submissions will be allowed, nor considered.

During the solicitation process and until an award has been announced, communication regarding this IFB will only be permitted with the Procurement Agent named below. Communication with a district employee other than the Procurement Agent named below may disqualify your bid from consideration.

District staff shall review the bids received in response to this IFB during the bid consideration period commencing on November 2, 2021. During the bid consideration period, the District may ask questions of and/or request additional information from suppliers who have submitted bids.

**Sales Prohibited/Conflict of Interest:** No officer, employee, or member of the School Board, shall have a financial interest in the sale to the school district of any real or personal property, equipment, material, supplies or services where such officer or employee exercises directly or indirectly any decision-making authority concerning such sale or any supervisory authority over the services to be rendered. This rule also applies to subcontracts with the District. Soliciting or accepting any gift, gratuity favor, entertainment, kickback, or any items of monetary value from any person who has or is seeking to do business with the District is prohibited.

**Collusive or sham bids:** Any bid deemed to be collusive or a sham bid will be rejected and reported to authorities as such. Your authorized signature on the bid assures that such bid is genuine and is not a collusive or sham bid.

- 2.12 In the event the District has reasonable grounds to believe that any individual assigned to perform work under this agreement has a criminal record, is a registered sex offender, is under the influence of alcohol or other substance, has exhibited violence or based upon other information the District deems reliable; the District may exclude such individual from any school building or grounds or impose reasonable conditions upon such individual's presence upon any school premises. - 2.15 Unless otherwise agreed in writing by the District, delivery of products shall be FOB destination with all transportation and handling charges paid by the awarded Supplier. The District's acceptance of any offer is made in reliance on Supplier's promised delivery date and/or installation of service performance time, as material and basic to the acceptance. If Supplier fails to deliver as and when promised, the District may, without liability and in addition to its other rights and remedies at law or in equity, cancel the order by notice effective when received by Supplier as to goods not yet delivered and services not yet rendered, and purchase substitute goods or service elsewhere and charge Supplier with any loss incurred.
- 2.16 Supplier shall indemnify and hold harmless the District, its elected officials, employees, and agents against any and all claims, damages, loss, liability, and court awards (including costs, expenses, and attorney fees) incurred as a result of any act or omission by Supplier, its employees, agents, subcontractors, or assignees arising out of or in connection with the IFB. In the event any goods sold or delivered as a result of this IFB are covered by any patent, copyright or trademark, or application therefor, Supplier shall indemnify and hold harmless the District, its elected officials, employees and agents from any and all claims, damages, loss, liability and court awards (including costs, expenses and attorney fees) incurred as a result of any

- 2.17 Supplier shall not assign an agreement, as a result of this solicitation, or any of its rights, interests, or obligations without the prior written consent of the District. The consent may be withheld for any reason or no reason as determined by the District in its sole discretion.
- 2.18 Bids shall contain a signature of an authorized representative in the space provided on the Bid Certification Form. Failure to properly sign bid may result in bid being considered non-responsive.
- 2.19 Where there appears to be variances or conflicts between the General Terms and Conditions and the Special Conditions outlined in this Solicitation, the Special Conditions shall prevail.
- 2.20 The District shall issue written addenda if substantial changes, which impact the technical submission of bids, are required. Copies of such addenda will be distributed via the BidNet system. In the event of conflict with the original agreement documents, addenda shall govern all other agreement documents to the extent specified. Subsequent addenda shall govern over prior addenda only to the extent specified.
- 2.21 All information and supplemental documentation required in conjunction with this bid shall be furnished by the Supplier with its bid. If the Supplier fails to supply any required information or documents, its bid may be considered non-responsive and ineligible for award.
- 2.22 The accuracy of the bid is the sole responsibility of the Supplier. No changes in the bid shall be allowed after the submission deadline, except when the Supplier can show clear and convincing evidence that an unintentional factual mistake was made, including the nature of the mistake and the price actually intended.
- 2.23 The apparent silence or omissions within this solicitation regarding a detailed description of the materials and services to be provided shall be interpreted to mean that only the best commercial practices are to prevail and that only materials and workmanship of first quality are to be used.
- 2.24 Suppliers may offer a cash discount for prompt payment; however, such discounts shall not be considered in determining the lowest net cost for bid evaluation purposes.
- 2.25 A purchase order resulting from this solicitation shall be governed by and construed in accordance with the laws of the State of Colorado.
- 2.26 Payment for the goods and/or services furnished by the Supplier shall not constitute acceptance thereof. The District shall have the right to inspect such goods and the products of such services, and to reject any or all of which are in the District's

judgment defective or nonconforming. In addition to the District's other rights, goods rejected, and goods supplied in excess of quantities specified in a purchase order, may be returned to the Supplier at the Supplier's expense. The District may charge Supplier all expenses of unpacking, examining, repacking, and reshipping such goods. In the event the District receives goods whose defects or nonconformity is not apparent upon examination, the District may require replacement and/or payment of damages upon discovery of the defects or nonconformity. Nothing contained herein shall relieve, in any way, Supplier from the obligation of testing, inspection, and quality control.

2.27 The District may, at its sole and absolute discretion:

2.27.1 Reject any and all or parts of any or all bids submitted by prospective Suppliers;

2.27.2 Re-advertise this solicitation;

2.27.3 Postpone or cancel the bid process for this solicitation;

2.27.4 Waive any irregularities or technicalities that are not qualified as a requirement for responsiveness in this bid or in bids received in conjunction with this bid; and/or

2.27.5 Determine the criteria and process whereby bids are evaluated and awarded.

2.28 The District may terminate an agreement at any time in its sole discretion for any reason, with or without cause, upon written notice served on the Supplier no less than thirty (30) days prior to the date of termination. In the event of such early termination by the District, the Supplier shall be paid up to the date of termination for services performed under and in accordance with this agreement.

2.29 Information and materials submitted in response to this IFB may be considered public records subject to disclosure under the Colorado Open Records Act (CORA), C.R.S. §§ 24-72-200.1 to -205.5. Information and materials that Supplier believes are confidential and not subject to disclosure under CORA must be submitted separately with a citation to the section of CORA and any other relevant law under which Supplier believes they are confidential. The District, not Supplier, shall determine whether information and materials so identified will be withheld as confidential, but will inform Supplier in advance of disclosure to give it an opportunity to take legal action to protect its interests vis-à-vis the party making the CORA request.

2.30 Certification Regarding a Worker Without Authorization

2.30.1 Supplier certifies, represents, warrants, and agrees that it will not knowingly employ or contract with a worker without authorization to provide services under this Agreement, and will not enter into an agreement with a subcontractor that fails to certify to Supplier that the subcontractor will not knowingly employ or contract with a worker without authorization to provide

services under this Agreement. Supplier also certifies, represents, warrants and agrees that it will confirm the employment eligibility of all its employees who are newly hired for employment to provide services under this Agreement through Supplier's participation in either: (a) the E-Verify Program created under federal law and jointly administered by the Department of Homeland Security and the Social Security Administration; or (b) the Colorado Department of Labor and Employment Program ("Department Program") established pursuant to C.R.S. § 8-17.5-102(5)(c).

2.30.2 Supplier shall not use either the E-Verify Program or the Department Program procedures to undertake preemployment screening of job applicants while this Agreement is being performed. If Supplier obtains actual knowledge that a subcontractor providing services under this Agreement knowingly employs or contracts with a worker without authorization, Supplier shall notify the subcontractor and the District within three (3) days that Supplier has such actual knowledge and terminate the subcontractor within three (3) days of providing the notice if the subcontractor has not stopped employing or contracting with the worker without authorization. Supplier shall comply with any reasonable request made by the Department of Labor and Employment in the course of an investigation undertaken pursuant to the authority of C.R.S. § 8-17.5-102(5). If Supplier participates in the Department Program, it shall: (a) notify the District and the Department of Labor and Employment of such participation as required by law; and (b) within twenty (20) days after hiring an employee to provide services under this Agreement, provide to the District a written notarized copy of an affirmation that it has examined the legal work status of such employee, retained file copies of the documents required by 8 U.S.C. § 1324a, and not altered or falsified the identification documents for such employee.

Venue for any and all legal action regarding or arising out of transactions covered herein shall be solely in the District Court in and for Larimer County, State of Colorado.

2.31.2 Equal Opportunity. Under this arrangement, the District shall charge the awarded Supplier any differences between its price and the price to be paid to the next lowest Supplier, as well as any costs associated with the re-solicitation effort which resulted from such default or termination.

2.31.5 This solicitation does not commit the District to award an agreement or to pay any costs incurred in the preparation of a bid or to procure an agreement for the services. The District reserves the right to accept or reject any or all bids received as a result of this request or to cancel in part or in its entirety this solicitation if it is deemed to be in the best interest of the District. The District reserves the right to accept any portion of the bid, or the entire bid as deemed in the best interest of the District.

2.31.6 Variances. For the purposes of solicitation evaluation, Supplier must indicate any variances to the specifications and terms and conditions, no matter how slight. If variations are not stated in the Supplier's response, it shall be construed that the bid fully complies with the specifications and terms and conditions. Notwithstanding the above, it is hereby agreed and understood that the District reserves the right to reject these variations if they individually or, as a whole, do not meet the standards established in the specifications.

2.31.7 Sustainability. - 2.32.5 Defects and/or deficiencies properly noted in writing to the Supplier before expiration of the warranty period will be fully covered regardless of such expiration.
- 2.32.6 By acceptance of an agreement as a result of this IFB, in addition to the guarantees and warranties provided by law, Supplier expressly guarantees and warrants as follows:
- a. That the articles to be delivered hereunder will be manufactured, sold and/or installed in compliance with the provisions of all applicable Federal, State and Local laws and regulations.
